December 2023

Community Resources

We acknowledge that many families are struggling this year, and that the holiday season can add more stress. If you are needing extra support, please do not hesitate to reach out to the PAC or Mrs. Dailey, and we can provide you with information on local resources.

We Need your Help!

Albion Elementary has many students who are accessing a subsidized lunch program. The PAC ensures these students can participate in our hot lunches. As demand increases, we are needing some additional support to continue this. During hot lunch ordering on Munch-a-Lunch you will see a donation option. All donations are appreciated. If you would like to make an additional donation or are a small business and would like to support these students, please email us.

Upcoming Events

December 1: Fun Friday!
December 7 & 8: Conferences
December 19: Family Christmas Event
December 22: PAC Hot Lunch - pizza
January 8: School re-opens
January 12: Pancake Breakfast
January 17: PAC Meeting
January 19: Hot Lunch
February 9: Family Dance

Thank you to all of our wonderful Albion families for your support so far this school year! You have helped make all of our events and fundraising efforts a success! In November we hosted a Christmas market which raised \$2900. This event was well received by both vendors and members of our community. It was neat to see Albion families from the 1980s & 1990s returning to find their photos on the wall! The Santa photos fundraiser was enjoyed by many families, and raised \$500 for the school. Our sales from Purdy's and seasonal flowers also raised over \$1000. All fundraising efforts help to support programs, classroom needs, school equipment, and fun events!

For those who were unable to attend the recent PAC meeting, information was shared about the school's growth plan. A goal has been set to improve engagement and a sense of belonging for all of our students. PAC is supporting this initiative and will be hosting a family dance in February, as well as a family carnival in June! Our carnival committee is hard at work, and are looking for sponsorship from local businesses. If you have a business and would like to help, please contact us!

As December is a busy time, there will be no PAC meeting this month. However, your executive will be continuing to work behind the scenes to support our students and families. If you have questions or concerns, or have items you would like to bring forward at our January meeting, please do not hesitate to contact us by email.

Here at Albion PAC, we would like to wish the entire school community a safe and happy holiday season.
