We are beginning to create our classes for next year. Please be assured that staff devote considerable time, care and attention to this process. This very complex and lengthy responsibility occurs over several weeks and continues into September when class placements are finalized. Throughout the year, there have been many opportunities for parents and teachers to discuss each child. Staff work together to consider the following criteria very carefully: **social emotional skills and relationships**, as well as **learning styles, strengths, and needs**. Our goal is to create safe and engaging inclusive classrooms that balance these factors, as equitably as possible. If you feel there is further information to consider about your child, you may submit input to the principal in writing using this form to jennifer_gallop@sd42.ca by May 23rd, 2025. **Please refrain from requesting specific teachers or peers by name.**

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface. There is no handwriting or other markings on the paper.
