Message from the Principal:

Here we are in June already and the year has passed so quickly. While the weather has been a bit cool it has worked out for us that we were able to have a very fun, and active FUN DAY this month. What a delight it was to see all the students engaged in team sports, activities, games, bouncing on the bouncy castle, sliding down the slide and participating in a fun game of tug of war. As the principal of BME I would like to say to all our Grade 7 students moving on to new adventures in secondary school, and to the families and students who are moving, we wish you the best of luck in your new schools. It has been a pleasure working with the staff, the parents, and of course, the students of BME Elementary. This is an exceptional school of which we can all be very proud.

As we end our year and prepare for the next school year, it is important to note that we are starting to plan for next year. If you are moving or looking to transfer schools, it is important to know that as soon as possible. This helps us in our planning processes for next year. Please note that class placements don't get finalized until the first week in September.

As always, if you have any questions or concerns, please don't hesitate to contact me.

Laureen Hickey

Volunteers Needed

We are looking for a couple more parents to help with our Breakfast Club for one or two days next year in September. Even if you could do one day that would be greatly appreciated. Please give us a call at the school or email if you might be able to assist us. Thank you!

SCHOOL SUPPLIES

All Parents may place orders for next year’s school supplies directly with Creative Children at www.creativepacks.ca.

For those parents wishing to purchase their own school supplies. School supply lists will be posted on the school website for easy reference through the summer months. Please remember that teachers may request additional supplies in September not included on these lists. As well, BME planners (\$7.00) will be made available to purchase in September through classroom teachers opting to use planners.

Student Medication

If your child has medication kept in the school office, please pick it up by the last week of school and take it home for the summer. Any unclaimed, expired medication will be disposed of.

Are you Moving:

If you know you will be moving or transferring from Blue Mt. (either this year or during the summer), please remember it is very important to let the office know ASAP. Staffing for next year is based on enrollment numbers estimated next month. The more accurate our numbers are the more efficient our staffing will be. Thank you
