

Dear   sq nel  Elementary Families!

Fundamentals Childcare Centre Inc. is excited to announce the opening of our newest childcare facility located inside   sq nel  Elementary (license pending)! We will be offering Before & After school care and a 4 hour Preschool Program with a projected opening date of September 2020.

We are a play based learning facility and believe children learn through tactile interactions with their environment. It is pivotal children are immersed in a learning environment that will encourage individual development in physical, social, emotional and cognitive areas. We provide a combination of theme based and emergent curriculum scaffolded on the interests of the children.

Our **Before and After school care** program will operate Monday to Friday 7:00am – 8:30am / 2:20pm – 6:00pm on regular school days, we are closed all Statutory Holidays. Full day care will be provided on Professional Days, early dismissals, Spring Break, winter break and Summer. **Online Registration will open Friday June 26<sup>th</sup> at 9:00am.** Please see the attached Before & After School care flyer for registration details! There are limited Before & After School Care spaces available. Given the current climate, we have taken a streamlined online approach to the registration process in the intent to make it as safe, efficient & fair as possible.

Our **Preschool Program** is projected to open September 2020 (license pending) and will operate 9:00am – 1:00pm. Preschool operates September to June and follows the SD42 school calendar for closure dates. **Online registration will open Friday June 26<sup>th</sup>, 2020 at 9:00am!** Please see the attached Preschool flyer for registration details.
