## FOOD PROGRAMS

### PAC Program

**Hot lunch & Treat Days** ~ A program where parents can order a lunch/snack for their children that will be delivered to their classroom. Order forms are sent home with students, should you not receive one, extras are on the bookcase outside the school office. We also endeavour to put a copy of the form on our Facebook page. Volunteers collate and deliver these hot lunches. Monies raised go **directly** to the PAC.

### Non-PAC Programs

**Lunch Lady** ~ is an independently run lunch delivery program not related to the school or PAC and does not raise monies for PAC. They provide lunches on Fridays to students who have pre-ordered on their website.

**BC School Fruit and Vegetable Nutrition Program** ~ This program is not a PAC initiative, but PAC volunteers help to coordinate and distribute the produce to the classrooms. Our school is involved in a province-wide healthy living initiative to encourage healthy eating by providing fresh B.C. fruits and vegetables to the students during classroom time, every couple of weeks. The students will receive picked, washed and ready to enjoy produce, at no cost to the school or parents.
