Yearbook Elementary - Consent

Have you completed the consent on the Parent Portal?

Last call...It's that time of year when Mr. Gray and his team of Yearbook elves are busy, busy putting the DJE Yearbook together. The yearbook contains individual photos of students, class photos, group photos and just random photos that teachers might submit of their students doing fun activities around the school.

There is a consent form on the Parent Portal titled, "Yearbook Consent - Elementary". ⇒ **In order for your child's photo to be 'IN' the Yearbook, this consent form MUST be completed.** There are still parents who have not completed this consent. Please take a few minutes *as soon as possible* to log on to your Parent Portal account to complete the consent form if you have not done so.

****You can also select no if you do NOT wish your child to be in the Yearbook.**

Remember to check

Lost & Found... There is also a small item Lost and found in the office.
