The facts of lice

What are lice?

Lice are tiny wingless insects that live on a person's scalp and feed on their blood. About the size of a sesame seed, lice lay eggs called nits, which they glue to hairs, close to the scalp.

Each year, head lice get into the hair of **6 to 12 million kids**, ages 3 to 11.

Symptoms of head lice

Your child may have head lice if he or she complains of:

- A tickling feeling in the hair, like something is moving
- An itchy scalp
- Sores on the head caused by scratching

How to check for lice

Carefully part your child's hair with a comb and look for the insect's eggs. Lice eggs, laid in the hair close to the scalp, look like tiny white or yellow ovals and often are mistaken for dandruff flakes.

How head lice are spread

Head lice are mainly spread by direct head-to-head contact, which can be common among kids during play at school, camp, day care or slumber parties.

How to treat head lice

1. Kill the insects. Apply an over-the-counter or prescription medication that will kill lice and nits. Follow the instructions on the label. Comb dead and any remaining live lice out of the hair using a fine-toothed nit comb.

2. Check the hair of family members and close contacts, like babysitters and your child's close friends, for head lice. Keep checking family members for two weeks to be sure the lice are gone.

3. Clean any items your child has worn or used in the past 48 hours. Machine wash clothes and bedding in hot water. Also vacuum carpet and furniture.

How to reduce your child's risk

Encourage your child not to share items that touch the head, like hairbrushes, pillows and hats, and to avoid head-to-head contact while playing with other kids.

Head lice myths, busted!

- Head lice cannot jump or fly from head to head.
- Kids diagnosed with live head lice at school do not need to be sent home early. They can go home at the end of the day and return to class after treatment has begun.
- Getting head lice is not a sign of dirty hair or poor hygiene.

NEW HOT LUNCH INFORMATION

Our first Hot Lunch date has been set for **October 26th**. We will be having Dominos Pizza and Sushi from Halu Sushi. We will be doing online payments for hot lunch through Munch a Lunch. We will be providing more info in the next few weeks. Check out the link below

PAC NEEDS VOLUNTEERS, PRIZES & DONATIONS!

The PAC needs class reps for all divisions. Its a simple job of coming to one PAC meeting per month and help report back to your child's teacher. This also allows your division to have a say in what can be discussed at the PAC meetings. Please come out and let your voices be heard.
