## PAC News

Join us on January 10<sup>th</sup> at 6:45 for our PAC mtg.

See below for our draft minutes to our  
December PAC mtg.

Dear parents/guardians,

The Provincial Health Officer issued [an order yesterday](#) to delay the full return of school for students in kindergarten to Grade 12 until Monday, Jan. 10. The delay will allow additional time for public health and B.C. schools to adapt to the impacts of the Omicron variant and implement enhanced safety plans to support the continuation of in-class learning.

On Monday, Jan. 3, district leadership will meet with principals and vice principals to review the existing and enhanced measures set out by the [BCCDC](#) and [Ministry of Education](#). Principals will then meet with school staff to begin planning for full implementation of enhanced measures effective January 10.

During the period of Tuesday, Jan. 4 to Friday, Jan.7, schools will be open for a limited number of students in particular need. The Ministry of Education has asked school districts to accommodate attendance on these four days for children of essential service workers and children with exceptional needs. If your child meets these general criteria and there exists a need for school attendance Jan. 4-7, please contact the school office by phone or email between the hours of 8:30 am and 2:00 pm on Monday, Jan. 3, so that appropriate planning is in place.

The [news release](#) issued by the Ministry of Education provides further information. It includes a summary of the existing safety measures that will be reinforced and a list of enhanced safety measures that school staff will be planning to fully implement effective January 10. We will be providing you with additional information next week.

While I recognize the delayed re-opening is a challenge for many families, taking a few extra days now will set us up for the safest possible start to the new year. We thank you for your ongoing support and we look forward to welcoming your children back to school.

Sincerely,

Harry Dhillon

Superintendent of Schools

# GRADE 8 TRANSFER PERIOD INFORMATION 2022/23

## FOR PARENTS OF GRADE 7 STUDENTS

### OVERVIEW

To provide an optimal learning environment for all students, the Maple Ridge - Pitt Meadows School District No. 42 (SD42) must manage enrolment across all schools, ensuring that enrolment numbers match building capacity.

“Where space and facility is determined to be available,” the school district has an open boundary policy that allows flexibility in choice regarding which secondary school students may attend (*School Act section 74.1 Section 6*). Due to increasing enrolment in recent years, however, the majority of students are assigned to their catchment school. All our high schools meet the needs of all learners.

### GRADE 8 REGISTRATION PROCEDURES

#### ONLINE REGISTRATION

The Grade 8 Transfer Period opens at **12:00 noon on Thursday, February 3, 2022**. All Grade 8 transfers/new to district registrations are done through the *Parent Portal*. If you are new to the school district, you will need to create a *Parent Portal* account before registering.

#### IN-DISTRICT STUDENTS

Families with children currently enrolled in a Maple Ridge – Pitt Meadows School District (SD42) elementary school should submit an *Existing Student Transfer Request* in the Grade 8 Transfer Period.

#### OUT OF DISTRICT STUDENTS

Families with children currently enrolled in an elementary school outside of the Maple Ridge – Pitt Meadows School District (SD42) should submit a *New Student Registration* in the Grade 8 Transfer Period.

#### DETERMINING CATCHMENT SCHOOL

The registration form will automatically populate with your child’s secondary catchment school based on the residential address on file with your child’s elementary school.

You can also find your child’s secondary catchment school using the school locator tool at <http://www.sd42.ca/school-locator/>.

*New development areas may not show accurate results. Please confirm with your child’s elementary school if necessary.*

*If the address you register on the portal does not match what is on file, proof of change of address will be required. Rental agreements are not accepted as proof of address.*
