# Scholastic Book Fairs

## Reminder: Our Scholastic Book Fair is Coming!

Dear families,

We are hosting a **Scholastic Book Fair** from February 25 to March 2, 2022!

**Scholastic Book Fair** is a fantastic way to give students access to books they want to read. We are excited students can visit the Fair in person, with their class, to select their next favorite book! Students will preview books and generate a wish list on Friday, February 25th. They can shop for books and other novelties from February 28 to March 2. We accept cash, debit card and cheque payable to Fairview Elementary.

For parents, family and friends, we offer our **Virtual Book Fair Extension** on the same Book Fair dates - to select books that inspire your readers from the comfort of home.

All purchases benefit our school and earn **Rewards** that can be redeemed for books and Education Resources for our classrooms and school library.

When it's time to shop, visit our school's **Virtual Book Fair Extension** site using this link:

<https://virtualbookfairs.scholastic.ca/pages/5169455>

Before our Fair begins, click the link to:

- **SAVE it** to your browser
- **WATCH** videos of popular new titles
- **PREVIEW** our Featured Books

Watch for more news leading up to our **Scholastic Book Fair!**

Happy Reading!

Mrs. Holmes  
(Fairview Librarian)

**FOR 9-10YRS**

**PRICE: \$86**

**FOR MORE INFORMATION, PLEASE CONTACT  
THE FAMILY EDUCATION & SUPPORT CENTRE  
22554 LOUGHEED HWY  
604-467-6055  
[reg@familyed.ca](mailto:reg@familyed.ca)**

## Daily Health Check and What to Do When Sick

### Daily Health Check

Everyone going into to school must complete a daily health check, including staff, visitors, and students. A daily health check means checking yourself or your child for new symptoms of illness, including symptoms of COVID-19.

Symptoms of illness (including COVID-19) include things like:

- Fever or chills
- Difficulty breathing
- Runny nose
- Headache
- Diarrhea
- Cough
- Sore throat
- Sneezing
- Body aches
- Loss of sense of smell or taste
- Loss of appetite
- Extreme fatigue or tiredness
- Nausea or vomiting

**If you are sick or feel unwell, stay at home. This is important to stop the spread of illness, including COVID-19, in schools.**

You can attend school if:

- Your symptoms are consistent with a previously diagnosed health condition (e.g., seasonal allergies), OR
- You have existing symptoms that have improved to where you feel well enough to return to regular activities,

AND you are not required to self-isolate, or your self-isolation period is over (based on a positive COVID-19 test result, if taken).

### What to Do When Sick

**If you have mild symptoms of COVID-19**, you usually don't need a test. Mild symptoms are symptoms that can be managed at home. Most people don't need testing for COVID-19.

Stay home and away from others (as much as possible) until you feel well enough to return to your regular activities and you no longer have a fever. You should also avoid non-essential visits to higher risk settings such as long term care facilities and gatherings, for another 5 days after ending isolation.

If you have a Rapid Antigen Test at home, use it when you have symptoms. How long you should stay home depends on your test result. Find out more about [Rapid Antigen Test results](#).

**If you do not have symptoms of COVID-19**, you do not need a test.

**If you are unsure about your symptoms**, you can use the [Self-Assessment Tool](#), contact your health care provider or call 8-1-1.

Testing may be recommended for some people who may be more likely to get severe disease. See BCCDC for information on [who testing is recommended for](#).
