

Reminder that dates and events will feature on our Glenwood Website: [Glenwood Events](#)

Welcome to February 2019 – with the last week of February – our Kindness Week

A few “old” business items:

- 1. BEFORE SCHOOL - The expectation is that students will gather in one of 3 places before classes start at 8 am (AS WE DON'T HAVE SUPERVISION IN THE HALLWAYS! Thanks for understanding!)
 - The Library for READING club, or
 - The Multi-purpose room for BREAKFAST (if a student has finished his/her breakfast, he/she is to proceed to READING club.)
 - Outside

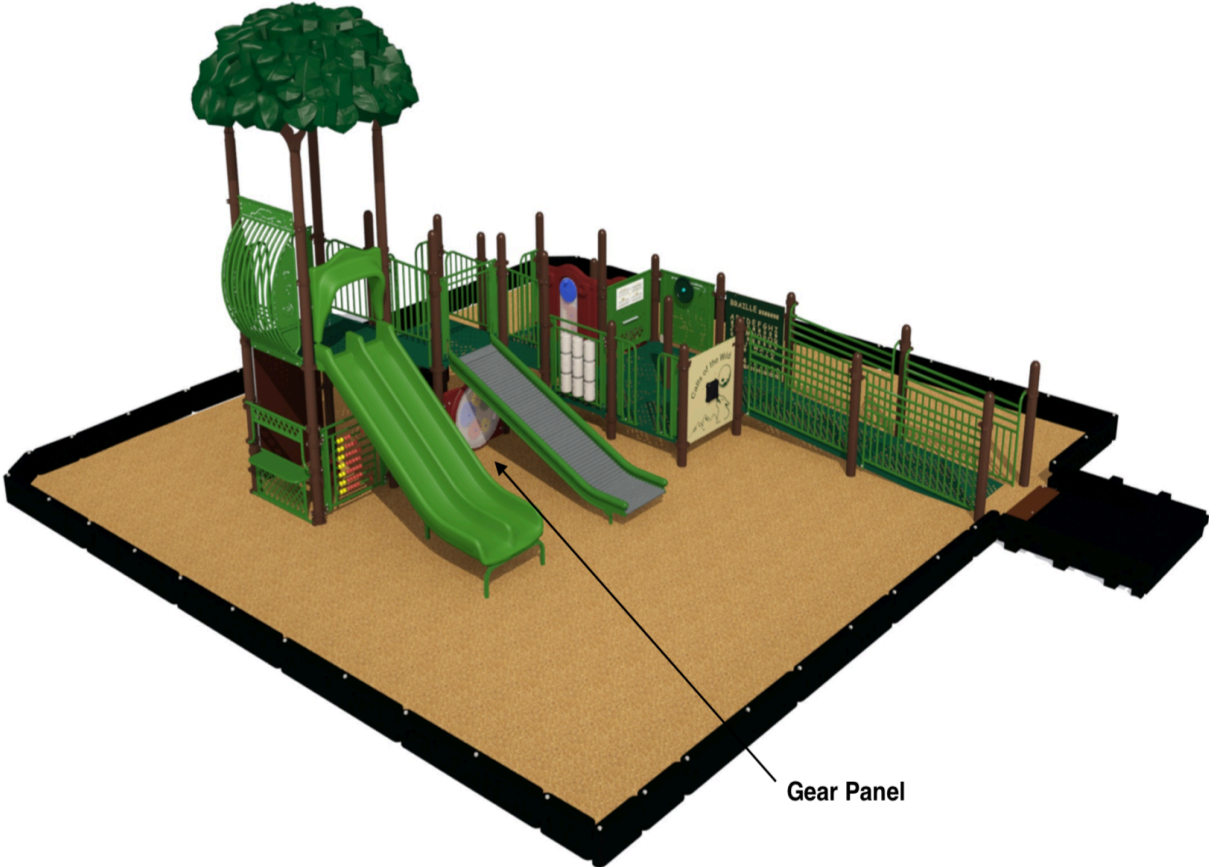

From the office:

- If your child is absent/late – please, let the office know via email gl_reception@sd42.ca , a call to the office, or the portal! We call every “unexcused” student to ensure his/her whereabouts, but it is time consuming if our secretary has to call every parent/guardian/care giver who has not notified the office to find out where their child is.
- Additionally, personal messages and deliveries for students won't be taken to their respective classes. Thank you for understanding our position.

Important events in February: **REMINDER TO CHECK THE WEBSITE FOR MORE EVENTS!!!**

- After school programs are running. Please, email Drea_Owen@sd42.ca for more information. The brochure is on the website – **there are subsidies available** – just contact Drea! Watch for a flyer to come home towards the end of February for fun after-school activities after spring break.
- Please refer to [Inclement weather?](#) to get information about our policy on Inclement weather.
