

Glenwood Fall 2019

Schools Out Program (Kindergarten – Grade 7)

This after-school program is sponsored by United Way and developed by The Family Education & Support Centre. It is designed to create and cultivate the intergenerational relationships between kindergarten to Grade 7 children and seniors within the Pitt Meadows community.

We will be making a snack and then walking to Wesbrooke Senior Living or to The Pitt Meadows Activity Centre to participate in activities and crafts with the seniors. The Family Education & Support Centre is really excited to bridge the gap between the generations.

Wednesdays, 2:30 - 4:00 pm

October 30 – December 18

Registration Fee: \$25

To Register: Call Karen Hughes at 604.467.6055 (ext 101) or email reg@familyed.bc.ca.

*Registration starts on September 3

Morning Movement (Grade K-7)

Maple Ridge-Pitt Meadows School District 42 in partnership with Maple Ridge Parks, Recreation & Culture are offering a morning breakfast recreation program for students at Glenwood Elementary School. Students will start their day out right getting in some Physical activity before the school bell and having a healthy breakfast. The program will focus on physical activities that teach children fundamental movement skills through play. Students and Recreation staff will co-create the morning sessions together. Staff will ensure that students voice is at the forefront of their programming. Staff will do this at the beginning of the session by engaging the them in dialogue about what games and activities they would like to do. The program will provide a safe, fun, active and inclusive opportunity to set the students up for success in their day.

We believe that every child has the right to play and sports and recreation is an accessible starting point that brings community together. Through play students are forming meaningful connections that improve their sense of confidence and belonging.

Fridays, 2:30 – 3:45pm

November 29 – December 20

Space, often called “the last frontier”, has inspired scientists, star-gazers and adventurers for generations. Get inspired to go on your own adventure and join us on a Mission 2 Space! Discover some incredible structures at Kennedy Space Centre’s Launch complex 39, travel the surface of the moon on a lunar rover, and explore Mars onboard the “Curiosity”. Our tour would not be complete without a visit to the International Space Station. We’ll provide the bricks (LEGO) all you need to bring for this adventure is your imagination!

Registration Fee: \$20.00
