

5. LOST AT SEA

Shining star up in the night,
can you tell me why?
I can't see what you can see
up there in the sky.

Lost at sea, lost at sea.
Tell me where I'm meant to be.
Hear my plea. Set me free,
Cause I'm lost, I'm lost at sea.

I'm alone and I'm afraid
rolling with the tide.
Don't you know, sure as I grow
what I feel inside?

Lost at sea, lost at sea.
Tell me where I'm meant to be.
Hear my plea. Set me free,
Cause I'm lost, I'm lost at sea.

Lost at sea, lost at sea.
Tell me where I'm meant to be.
Hear my plea. Set me free,
Cause I'm lost, I'm lost at sea.

What will become of me?
