

A grayscale background image showing two students in a science laboratory. They are seated at a table, working with microscopes and other scientific equipment. The student on the left is holding a long, thin object, possibly a test tube or a piece of wood. The student on the right is looking through a microscope. The image is overlaid with a dark, semi-transparent grid pattern.

The ministry of education guidelines specify that students in grade 9 are to be offered an ADST and a Fine arts elective. You can select one first choice and one second choice(alternate) from each category.

Garibaldi can accommodate students who would like a focus in fine arts and choose to specialize by selecting any two fine arts as a first and second choice for electives (spaces in adst courses are limited)
