Newsletter #1 - September 29, 2022

At Hammond Elementary, students and staff work hard to build a positive school culture. We believe that everyone has a responsibility to create a caring, safe and orderly learning environment.

PRINCIPAL'S MESSAGE

Hello Hammond Families,

It is a pleasure to welcome you back to Hammond for the 2022-23 year and see so many new families enrolled in our school, which is now full over capacity. Being new to the place myself, I know that settling into a new neighbourhood and new routines can be an adjustment. I can assure you that Hammond is the jewel in the crown of School District 42, so you have nothing to worry about. I believe that schools are an important and participatory part of the communities they serve, and look forward to working for all you. This is really our first year of 'regular' operation since 2019, which is exciting in itself. Many of the events and activities to which you will be invited are the work of our PAC Group, which is enthusiastic, imaginative, and very much a cornerstone of our school culture. I encourage you to reach out to them, and us, to stay in the loop and be as much a part of your children's school experience as you wish to be.

Have a great year!

STUDENT ABSENCES AND LATES...

We request that you telephone, email HA_reception@sd42.ca, or advise via the parent portal to let us know if your child will be late or absent from school BEFORE the start of the day at 8:30 am. There is an answering machine to take your messages if calling after hours or early in the morning.

Remember, if we do not hear as to the student's whereabouts, we will be calling to ensure the safety of the absent student. Late students are asked to go directly to class if arriving prior to our morning announcements at 8:40 am. If arriving after 8:40 am, students must check into the office to receive a *Welcome To School* slip before going to classrooms.

UPCOMING SCHOOL CLOSURE DAYS...

- School will be closed for National Truth and Reconciliation Day on Friday **September 30th**;
- There is a Non-Instructional Day on **Monday, October 3rd**;
- School will be closed for Thanksgiving Day, **Monday, October 10th**;
- There is a Non-Instructional Day on **Friday, October 21st**.

Upcoming Events

Sep 30	National Truth and Reconciliation Day - no school for students
Oct 3	Non-Instructional Day - no school for students
Oct 10	Thanksgiving - no school
Oct 11	Spirit Day - Crazy Hair
Oct 14	Photo Retake Day
Oct 19	Pear/Milk delivery
Oct 20	Great Shake Out
Oct 21	Non Instructional Day
Oct 24	Grade 6 Immunizations
Oct 25	Intermediate Cross Country Meet - Alouette
Oct 26	PAC Pumpkin Patch
Oct 26	Primary Cross Country Meet at Albion Sports Complex

SCHOOL NEWSLETTERS and CALENDAR...

School newsletters will be sent out via the Parent Portal, and will be posted on our school website. Typically, we send out a newsletter at the end of each month. Included with this newsletter is the bell schedule and 2022/23 school calendar of non-instructional days and holidays, etc. for easy reference. Please be sure to check our monthly newsletters and the school website for any changes or updates throughout the school year, and to read about all the great happenings at Hammond!

IMPORTANT SCHOOL FORMS...

Student Information Verification Forms will be sent home with every student next week. Please be sure to review, make any necessary changes, date and sign the bottom of page 2 and return as soon as possible.

Medical Alert Forms - If your child uses an EpiPen, or has an existing medical condition that requires medication kept at school, or could require emergency intervention while at school, please make sure you have completed the necessary forms. Proper paperwork is required each September. Thank you.

Consent forms - The District has uploaded new consent forms on everyone's parent portal account. Please review these forms and sign them accordingly. They are located on a red top tab button, which will turn green once you have submitted all your forms. If you have made an error on your forms and need it to be reset, please contact the office.

SCHOOL SUPPLIES...

The school supplies this year were a bulk school buy for each teacher. A parent portal form was sent home for payment of \$55. Please send in your child's payment as soon as possible. Thank you!

ELEMENTARY BAND...

Westview Secondary School offers an Elementary Band program for students in grade 6 and 7. Classes meet twice a week and are FREE. If you think your son or daughter might be interested in learning to play an instrument, please contact Mrs. Jensen at Westview for more information. It's not too late!

STUDENT PICTURES and RETAKES...

A representative from Photoexpressions Studios was at Hammond **Thursday, September 22nd** taking student photos. A form was sent home in your child's backpack with information about ordering the photos. Photo retake day is set for Friday, October 14th.

SOME FRIENDLY REMINDERS...

Bikes and Scooters

There are a lot more students riding bikes and bringing scooters to schools. It is great to see our students being active. Please ensure that your child is wearing a helmet when they leave home. Students have been asked not to ride them back across the parking lot nor by the busy front entry of our school in the mornings and after school. We ask that they walk their bikes/scooters to the bike racks to lock up.

Personal Devices

All intermediate classes have been reminded of our expectation around personal devices: Students are not to have these out at recess/lunch nor during instructional time (unless the teacher has allowed and is supervising use). While we recognize many parents want their children to have phones for safety reasons when walking home, there isn't any need for these to be out during the school day. We appreciate your support with this. If you need to contact your child, please call the office.

Lunches

Please note: There are no utensils, and no microwaves in the school for student use. Please send items that need to be hot in a thermos for your children and remember to send utensils.

PARENT PORTAL...

If you are not already registered on the SD42 Parent Portal, please do so and request a linking letter from the office. This letter includes your child's unique ID number and linking key. Once registered the portal will allow parents/guardians to fill out school consent forms, receive announcements, and make secure online payments. **It is essential to register in order to receive and keep updated with school information. All field trip permissions will be via the Parent Portal.** Please take a few minutes to "link up".

After school arrangements

To minimize phone calls to the office and class disruption, please ensure that your children are aware of lunch and/or after school arrangements when they arrive at school in the morning. We are pleased to be of assistance when unexpected problems arise however we do appreciate your efforts to keep those occurrences minimal. Thank you for your understanding.

Label personal belongings

It was unbelievable how many clothes and other items were left in the Lost and Found at the end of each term last year. Our Lost & Found area is already filling up. *Please* label all jackets, backpacks, lunch kits, hats, etc. so we can return them to their rightful owners.

FRUIT & VEGGIE PROGRAM (+MILK)...

The BC School Fruit and Vegetable Nutritional Program is brought to schools by the BC Agriculture in the Classroom Foundation - a non-profit organization dedicated to working to bring BC's agriculture to our students. The Foundation works with local farmers and distributors to bring fresh BC products to students in public schools throughout BC. This program is part of the provincial government's healthy eating initiative. Every other week a fresh fruit or vegetable snack is delivered to the classroom. Students are offered the snack during class time. It is not meant to replace the foods students normally eat at school. This is wonder opportunity for students to learn about BC agriculture and good eating habits.

The BC School Fruit and Vegetable Nutritional Program has expanded to include milk. Like the fruit and vegetable snacks, the milk will be delivered to students. Your child will have the opportunity to enjoy fresh, local 2% milk in their classroom while learning about healthy eating and agriculture. Fortified soy beverage will be available as an alternative.

We wish to thank our fabulous PAC for supporting this program, and thank Mr. Dowler and Laetisha Biles with her helpers, for coordinating and delivering. Please remember to notify the school of any food or milk allergies

If there is a parent that would like to start the training process to take over this endeavour for the fantastic Ms. Biles, please contact the office.

CROSS COUNTRY MEETS...

We will be starting cross country practices in October. Announcements will be made at school and notices will be sent home for participation. Practices will be on Tuesday and Thursdays at lunch. The intermediate cross country meet will be in Alouette park on Tuesday, October 25 and the primary cross country meet will be at Albion Park on Wednesday, October 26.

AFFORDABILITY FUND...

The monies afforded to Districts by the provincial government have been allocated to each school to help families in need. Please feel free to contact the school if you would like to learn more about how these funds could be available.

PAC NEWS...

Seeking Volunteers: We are always looking for new ideas, fundraisers, and especially volunteers! If you are able to volunteer, please email HammondElemPac@gmail.com and have your name added to the list. Thank you in advance.

The next PAC meeting will be Oct. 3 at 6:30 pm via Zoom.

<https://us02web.zoom.us/j/81132782497?pwd=71chOdBTkh5Pk9POLsukSkt-lrULux.1>

Meeting ID: 811 3278 2497

Passcode: 785950

All Guardians/cargivers of a child registered at Hammond Elementary are members of PAC. Attendance to the zoom meeting is encouraged and welcomed! Please join us online!

UPCOMING FUNDRAISERS:

- Cob's fundraiser is ongoing! Please mention Hammond Elementary before placing your order and PAC will receive 5% back from each purchase!
- Fresh to you fundraiser is coming! Details will be sent out in the next couple weeks.
- Neufeld's fundraiser to be launched at the end of October. More information to follow.
-

HOT LUNCH...

Delicious hot lunches are being planned. More information to come!

Code to register for Hot lunch is **HEHL**

FIELDTRIPS...

A free at school pumpkin patch field trip for students is coming on October 26! Stay tuned for more information.

Volunteers will be needed!

At school Family Movie Night is coming on October 28. Watch for details!

SCHOLASTIC BOOK FAIR

Scholastic Book Fair is coming on November 21, 22 and 23. Classes will be attending during class time and there will be evening time available for families to attend. More information to come. Volunteers will be needed!

Please join the Hammond Elementary Facebook page to get up to date information regarding happenings at the school. Please visit: <https://www.facebook.com/groups/hammondpac> to join.

Questions or comments or concerns can be emailed to hammondelempac@gmail.com

SCHOOL DISTRICT NEWS...

StrongStart: School District #42 provides eight StrongStart Centres, situated across the district and funded by BC's Ministry of Education. StrongStart centres are parent-participation, drop-in programs offering opportunities for preschoolers to engage in play-based activities with other children and adults. Everyone joins our facilitators in story, song, gym and sharing times and interacts socially with new friends and neighbours. Parents and caregivers have opportunities to meet other parents and to share and support their children's early learning experiences. Our centres are situated in the following Elementary Schools: *Blue Mountain, Davie Jones, Eric Langton, Fairview, Glenwood, Hammond, Harry Hooge and Highland Park*. Centres are open Monday to Friday unless schools are closed for holidays or non-instructional days, and are free for children 0 to five. Come and join the fun! If you have any questions, you can email the Strong Start Co-ordinator sarah_neider@sd42.ca. For more information, please go to www.sd42.ca or call 604-463-4200.

PARKING LOT REMINDER

To all new families to Hammond, and a reminder to those families using the parking lot at the end of the day, if everyone follows our procedures and is patient for 10 minutes, things will go smoothly and safely. It is with cooperation, patience, kindness and respect for others and following a few simple guidelines that we can minimize the frustrations and keep the parking lot safe for everyone.

Guidelines:

- When double parked or stopping beside a yellow curb you **MUST** stay in your vehicle so you **can move** it if the person you are blocking needs to exit the lot. Many times we have Staff that need to get to meetings outside of our school.
- Do not block an open parking space.
- It is imperative that we leave a **clear path** through the middle of the lot so traffic can keep moving.
- If you get to the **flagpole** and your child has not arrived yet, **continue to circle** the lot until they do.
- Do not park at the entrance that funnels traffic into and out of the lot as it blocks traffic flow.
- Use the perimeter sidewalks to walk to the overflow lot rather than weaving in and out of the cars.
- **Travel through the parking lot at idle speed.**
- Please turn your vehicle off while waiting/parking. We are an idle free zone!
- Our parking lot is fairly small for the population of our school and during drop off and pick can be quite congested! If you are driving a larger vehicle or towing a trailer, please consider parking on one of the many side streets and walking to the school to pick up your child/children.
- Please **OBEY** all legal street signs around the school including bus stops and municipal issued no parking signs.

Safety Notification System

The Maple Ridge – Pitt Meadows School District has updated its *School Safety Notification System* in collaboration with the Ridge Meadows RCMP. The revised notification system follows provincial recommendations and covers the six following scenarios:

Drop, Cover, and Hold – Used in the event of an earthquake, explosion, or any event that shakes the school.

Hold and Secure – Used when there is a security concern, such as a police incident, in the neighbourhood of the school.

Lockdown – Used to prevent intruders from entering occupied areas of the school, or in times when it is necessary to isolate students and staff from a danger outside or within the building.

Shelter in Place – Used as a short-term measure to protect students and staff from potential dangers outside the school (e.g. environmental weather-related emergencies, dangerous wild animals on school grounds, or a missing child).

Room Clear – Used to move people away from a hazard contained in one room/area.

You can find more information about the revised *School Safety Notification System* on the district website at <https://www.sd42.ca/school-safety-notification/>

Our school recently participated in photo day. Your child should have a sheet similar to the one on the right. If you do not have an *Express Proof* for your child, contact Photo Expressions at studio@photoexpressions.ca or 604-477-7399 to request your Access Code.

Express Proofs

Education Programs

Half-Day Programs

Grades K-1

Explore Egypt

Learn about Ancient Egypt by role-playing archaeologists. Excavate and examine Egyptian artifacts and build a pyramid!

Grades K-2

Lost Toys

Little Victoria lived in Vancouver a long time ago. Hear the story of her lost doll through five generations of her family.

Play with toys from each generation and see the evolution of toys overtime. Students are invited to consider technologies, culture, and environmental impact. Role-play archaeologists and discover toys like Victoria's.

Grades 2-4

Cedar & Sealskin

Examine traditional belongings that tell us how Indigenous peoples met the basic needs of food, clothing, and shelter.

Excavate belongings from Pacific Northwest Coast cultures. Be a player in a life-sized board game while learning about the seasonal cycle of traditional Inuit life.

Also
available
in French

Grades 4-6

Stories of Resilience & The Road to Reconciliation

New Updates

Explore *cəsnaʔəm: the city before the city* through a scavenger hunt activity based on the Big Six Historical Thinking Concepts. Learn about the impact of colonization on the Musqueam community and their resiliency toward assimilative policies.

Through Object-Based Learning, examine the impact of colonial policies on First Nations history, language, and culture and learn about our shared responsibility in the reconciliation process.

A learning resource for our community, the Museum of Vancouver offers a range of enriching educational experiences connected to the provincial curriculum. Students of all needs and ages have a chance to engage through hands-on programming and inquiry-based learning.

Learn
more

Online School Programs

MOV offers exclusive online school programs to augment your learning experience following your in-person field trip. Online school programs and tours are delivered through MS Teams or Zoom. Please refer to our Online School Programs Brochure or our website for more information and technical pre-requisites.

Grades 5-6

Immigration Nation

Learn about past and present immigration policies while discovering the history of Vancouver through the decades: 1900 – 1970s. Modelled after the points-based system, explore the history galleries through a scavenger hunt activity and examine real suitcases from 4 immigrants' personal journeys. This program focuses on who immigrates and why, the quality of life for new immigrants, and immigrants' contributions to Vancouver.

Want to learn more about Immigration?

Book our exclusive online school program *A Seat at the Table*. Discover Chinese immigrants' stories from MOV's *A Seat at the Table* exhibition. Reflect on the diversity of their experience in BC, the challenges they faced, their resilience, and their pursuit of justice.

Duration: 45–60 mins
Cost: \$120 / class

Optional Education Kit: Includes objects inspired by the exhibition to use in class after the online program. \$40 / week.

Grades 6

Global Citizen

Be buyers for the Museum's gift shop, "The Global Village." Consider cultural awareness, fair labour practices, and sustainability in the ever-growing production and consumption of goods and services. Visit the global marketplace and purchase objects that may or may not have been created in a responsible and sustainable way. Explore the *Vancouver History Galleries* to uncover moments when Vancouverites either demonstrated good global citizenship or ignored their responsibilities.

Grades 6-7

Ancient World

New Updates

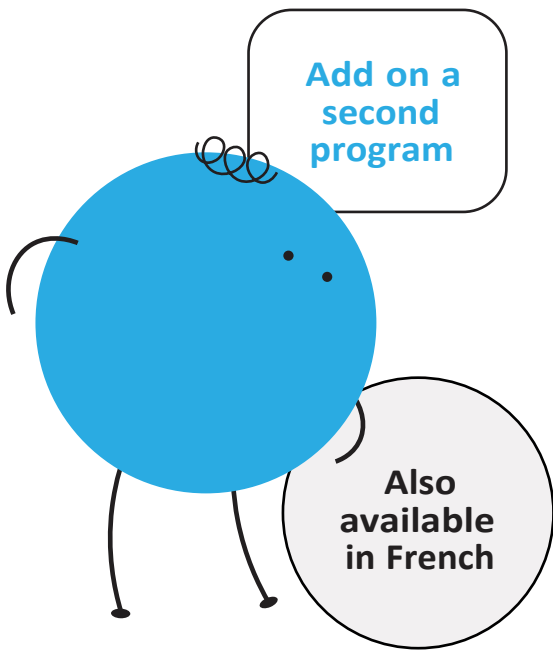

Uncover the science of archaeology by investigating artifacts from the ancient cultures of Mesopotamia, Egypt, Indus Valley, China, Greece, and Rome. Work in teams to do a simulated field dig, then analyze artifacts to formulate and test the hypothesis. Learn about several prominent Northwest Coast archaeological sites. Using traditional First Nations belongings, examine the role and limitations of archeology in studying First Nations culture and ways of knowing.

Want to learn more about Ancient Egypt?

Book our exclusive online school program* *Mummification in Ancient Egypt!* Learn more about the process and the significance of mummification in Ancient Egypt. Use your critical thinking skills to gain a deeper understanding of contemporary issues surrounding museum collections and practices.

Duration: 45–60 mins
Cost: \$120 / class

Make a day of it!

Add-on Programs

Self-Guided Museum Visit

All Grades

Explore our Vancouver History Galleries and featured exhibitions at your own pace. Complimentary online quizzes and activities are available to enhance your self-guided visit.

Monumental Scavenger Hunt

All Grades

Discover Vanier Park's outdoor monuments and art installations using our easy-to-follow activity guide (digital or physical). This activity is complimentary when booked in conjunction with another program.

Seasonal Programs

Full Day Program

Monday to Friday
January 30 – February 24, 2023

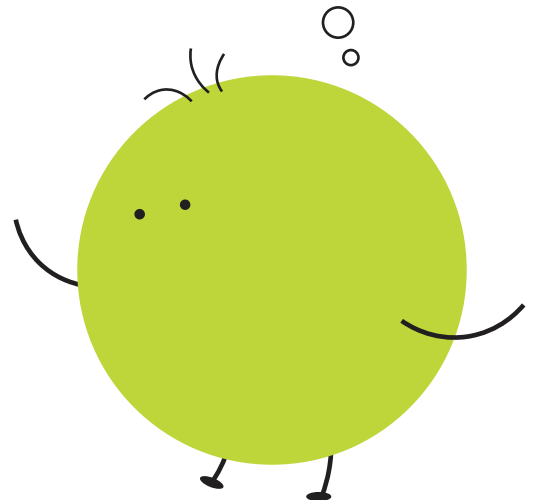

Animating History

Grades 5+

Work with professional animators to storyboard a plot, create and animate characters, and add dialogue and sound effects. Students complete a one to two-minute animated story by the end of the day. Stories include Vancouver Fire, 1907 Anti-Asian Riots, and Japanese-Canadian Internment. Presented in partnership by Reel 2 Real with the Museum of Vancouver.

Cost: \$450 per class
(Not available in French)

Education

Online School Programs

Participate in a highly engaging virtual learning experience with our most popular curriculum-based programs adapted for online delivery. Online programs include educational and interactive demonstrations with guided conversations, designed to spark curiosity and encourage critical thinking!

A learning resource for our community, the Museum of Vancouver offers a range of enriching virtual experiences connected to the provincial curriculum. Students of all ages and places have the benefit of connecting virtually to engage through interactive programming and inquiry-based learning.

Also available in French

Online Programs “à la carte”

Our online programs are divided into distinctive sub-topics, giving teachers the flexibility depending on personal preference and curricular schedule. Teachers can book either one or all the programs on the same day or divided over the semester.

Augment your Online School Program with an Education Kit!

Bring the Museum of Vancouver to your school with Education Kits designed to augment your online field trip, making it a “hands-on” interactive learning experience. Education Kits are available for pick up at the MOV and are sanitized and safely quarantined for a minimum of 72 hours between rentals.

Grades 1-4

Cedar and Sealskin

Sub-topic 1 **Inuit Culture**

Learn more about the seasonal cycle of traditional Inuit life through an interactive inquiry-based activity that focuses on Inuit belongings.

Sub-topic 2

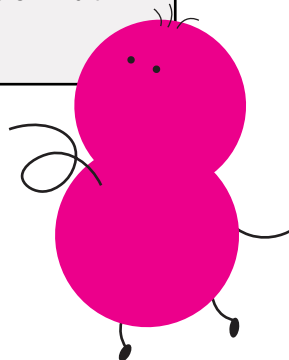

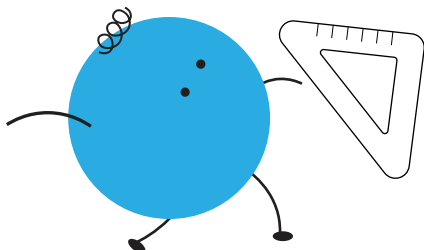

First Nations of the Northwest Coast Culture

Gain a deeper understanding of First Nations traditional culture through Object-Based Learning. Examine belongings from the Pacific Northwest Coast and learn how the First Nations met the basic needs of food, clothing, and shelter.

Optional Education Kit: First Nations of the Northwest Coast Culture

Optional Education Kit: *First Nations of the Northwest Coast Culture*

Includes: Traditional First Nations belongings and printed materials/resources to support learning.

Grades 4-6

Resilience and Reconciliation

Sub-topic 1

Stories of Resilience

Learn about the impact of colonization on the Musqueam community, how they resisted assimilative policies, and the Museum's role in the reconciliation process by virtually exploring our exhibition: *cəsna?əm: the city before the city*.

Sub-topic 2

The Road to Reconciliation

Learn about our shared responsibility in the reconciliation process. Through Object-Based Learning, use your critical thinking skills and gain a deeper understanding of traditional and contemporary First Nations culture.

Optional Education Kit: *The Road to Reconciliation* Education Kit

Includes: First Nations belongings to use during the corresponding sub-topic. It also includes access to a video tour of MOV's Haida Now exhibition by co-curator, Kwiaahwah Jones.

Grades 5-6

Immigration Nation

Sub-topic 1

Migration Journeys

Play an immigration game through Vancouver's History Galleries. Explore the galleries and examine real suitcases from immigrants while collecting points and money towards immigrating. This program focuses on who immigrates and why, the quality of life for new immigrants, and immigrants' contributions to Vancouver from the 1900s to the 1950s.

Sub-topic 2

A Seat at the Table

Discover Chinese immigrants' stories from MOV's *A Seat at the Table* exhibition. Reflect on the diversity of their experience in British Columbia, the challenges they faced, their resilience, and their pursuit of justice.

Optional Education Kit: *The A Seat at the Table* Education Kit

Includes: Artifacts, photos, historical documents, and videos inspired by *A Seat at the Table: Chinese Immigration and BC*. Be creative and use the belongings 're-create' a mini exhibition in the classroom, while learning about Chinese immigration history, food, and culture.

Grades 6-7

Ancient Worlds

Sub-topic 1

Reframing Archaeology: Sites of the Northwest Coast

Learn about several prominent Northwest Coast archaeological sites. Through traditional First Nations belongings and ways of knowing, gain a deeper understanding of the role and limitations of archeology.

Sub-topic 3

Dig into the Past!

Uncover the science of archaeology by investigating artifacts from the ancient cultures of Mesopotamia, Egypt, Indus Valley, China, Greece, and Rome. Work in teams to research and analyze artifacts from the Museum's Teaching Collection, then formulate and test the hypothesis.

Optional Education Kit: *The Dig into the Past!* Education Kit

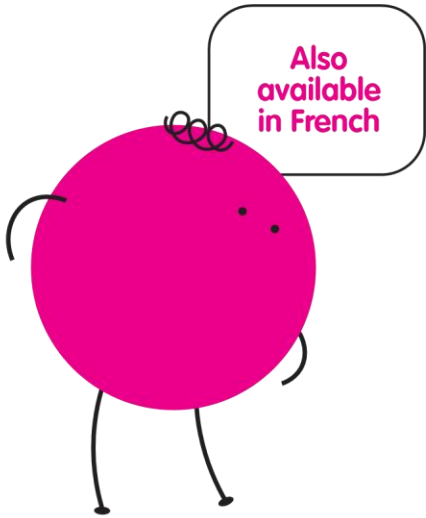

Includes: Replica artifacts for each civilization and printed materials/resources to support learning.

Sub-topic 2

Mummification in Ancient Egypt

Learn more about the process and the significance of mummification in Ancient Egypt. Use your critical thinking skills to gain a deeper understanding of contemporary issues surrounding ethics, collecting, and repatriation in museums.

Online Guided Tours

Online Tours

Live-Stream In-gallery Tour

Enjoy an immersive experience of our galleries from the convenience of your classrooms! Engage in a live-stream tour with an educator, walking through the heart of our galleries with opportunities to ask questions, interact, and zoom in on the displays.

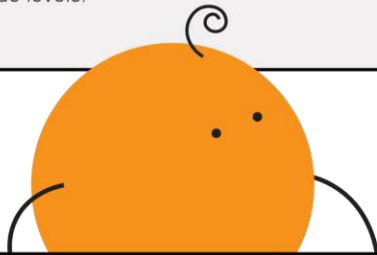

Tours available *Vancouver History Galleries, čəsna?əm: the city before the city, A Seat at the Table, Boarder X, and That Which Sustains Us.* Suitable for all grade levels.

Online Tours

360° Virtual Galleries Tour

Engage in a virtual experience of our galleries from the convenience of your device! An educator screen-shares and leads the class through our 360° virtual galleries, pausing along the way with inquiry-based questions to stimulate creative thinking and critical discussions.

Tours available *Vancouver History Galleries, čəsna?əm: the city before the city, Haida Now, A Seat at the Table, Boarder X, and That Which Sustains Us.* Suitable for all grade levels.

Checklist

Technical Pre-requisites

Online School Programs and 360° Virtual Galleries Tours are delivered through MS Teams or Zoom at your convenience. Live Stream In-gallery Tours are delivered through Zoom.

BE A GIANT.

As the focus begins to shift towards the start of the school year and hockey season, the Vancouver Giants remain fully committed to community outreach. In a post Covid-19 world, we feel that it's more important than ever before to prioritize interactions with younger people and future leaders, and that is why we are happy to invite your school to join the "Be A Giant" program.

If you are not yet familiar with "Be A Giant", it is an interactive classroom outreach program that takes a holistic approach to health encompassing physical, mental, emotional, and social avenues. The objective is to give students the tools to live a healthy and active life by encouraging them to

BE A GIANT.

AT SCHOOL

IN THE COMMUNITY

AT HOME

FOR YOUR HEALTH

The program is aimed at primary and intermediate grades to encourage the students in their studies and growth as they begin their intermediate school, or high school years. Giants' players, who are students themselves, speak about the importance of education, social responsibility, and well rounded healthy living, while also presenting a challenge to the students based on the Four Pillars above.

HOW IT WORKS: For a two-week period, students will participate in the "Be A Giant" program by completing a daily log book outlining the ways that they were a Giant using the Four Pillars, and will have it initialed by a parent or guardian. At the teachers discretion, the classroom will keep a running progress tally and upon completion, students can provide the teacher a summary of what they have learned.

Classrooms that successfully complete the "Be A Giant" initiative will qualify to receive complimentary tickets to an upcoming Vancouver Giants home game. Tickets will also be made available to parents and other family members who wish to accompany the class to the game at a discounted rate.

We are looking forward to bringing the "Be A Giant" program back to the classroom by visiting each school with Vancouver Giants players to meet the students, distribute the necessary materials, and launch the program. A Giants representative will complete a second visit upon completion of the program to answer any questions and applaud the students on their successful completion of the program. At this time, they will also distribute order forms for tickets.

To partner with us, please pass on this information to teachers you think may be interested. They can apply for the 2022-23 program simply by filling out the form at www.VancouverGiants.com/BeAGiant. Schools will be accepted on a "first come – first served" basis until we reach our capacity. Visits will take place between September and February.

Wishing you all the best in health and safety.

The Vancouver Giants

PARENTING WORKSHOP

Conflict Resolution

As parents and caregivers, do you want to learn about the following? If so, this conflict resolution workshop is for you!

- conflict management parenting styles,
- trigger scale,
- active listening,
- open questions for parents,
- how to use "I" statements.

Please note this program will take place online, via Zoom.
