

### Rainy/Snow Days

Don't forget to send your child to school with appropriate winter season clothing and boots! A change of clothing is needed as well please! Playing outside, rain or shine, is important for our students' physical and mental well being!

### Staffing Update

We would like to welcome Ms. Roberts to HHE. She will be joining our EA team! Ms. Allen is going off on mat leave. We wish her well and can't wait to meet her little one when they enter the world!

### "WEEK AT A GLANCE" Jan.22-26

#### Monday, January 22

- Choice Kindergarten Registration closes
- Boys basketball game at HHE

#### Tuesday, January 23

- Harmston, Jowett, Baydo Skating 10:15

#### Wednesday, January 24

- Professional Development Day: No School For Students

#### Thursday, January 25

- Boys basketball practice at lunch

#### Friday, January 26

- National Backwards Day spirit day: dress backwards today!

### Medication at School

If your child requires medication at school, even if it's something like Advil or Tylenol, a medical intervention form must be filled out and signed and the medication must be stored in the office in the original container.

Please do not send any medication in ziplock bags in your child's backpack!

### Dogs on the School Grounds

We have noticed that there has been an increase in guardians bringing their dogs onto the school property. We do have students afraid of dogs and although many dogs are nice, in a crowded area with unpredictable students, the dog may not be happy. To avoid any injuries and upsets we ask that you avoid bringing your dog into the crowded areas of our school yard. We also don't want to encourage the community to use our property as a place to run their dogs, we are constantly picking up after them!

### Running Shoes for PE 😊

Some classes have inside shoes but a reminder for those that don't to please remember to put runners in your child's bag (or remind them to) if they are coming to school in rain or snow boots on a PE day.
