back!)
Ashley Osada
Fatima Soulsby
Nichol Vance*

*Thank you to our amazing
PAC for restocking and
reorganizing our emergency
container! They put in many
hours of volunteer time for
the safety of our school
community!*

COUNSELLING CORNER

"We'll be friends forever" said Piglet.
"Even longer" said Pooh.

Trust is the foundation of every relationship, it makes us feel loved and safe. We learn about trust and relationships from birth on. Relationships are not static, they are always changing. Friendships are extremely important to our children. We need to teach our children about helpful, healthy relationships.
