

Class Placement Parent Input

Please refrain from requesting specific teachers or peers.

We are beginning to create our classes for next year. Please be assured that staff devote considerable time, care and attention to this process. This very complex and lengthy responsibility occurs over several weeks and continues into September when class placements are finalized.

Throughout the year, there have been many opportunities for parents and teachers to discuss each child. Staff work together to consider the following criteria very carefully: **social emotional skills and relationships**, as well as **learning styles, strengths and needs**. Our goal is to create safe and engaging inclusive classrooms that balance these factors, as equitably as possible.

If you feel there is further information to consider about your child, you may submit input to the me in writing via email (nneggers@sd42.ca) by May 31.

Staff Appreciation Week!

HHE staff go above and beyond every day to ensure our school community is well taken care of! Although they are appreciated every day, this week is a time to let them know how grateful we are for them!

The weather is supposed to heat up this week!

May is Asian Heritage Month; this focus is an opportunity for all Canadians to learn more about the many achievements and contributions of Canadians of Asian descent who, throughout our history, have done so much to make Canada the amazing country we share today.

The theme for Asian Heritage Month 2021, "Recognition, Resilience, and Resolve", embodies the myriad of sentiments that peoples of Asian descent in Canada have experienced and honours their contributions and their diverse stories which are rooted in resilience and perseverance. It is also a call to action for all Canadians to come together to combat all forms of anti-Asian racism and discrimination. Let us celebrate the incredible diversity that is our strength and be resolute in our stand against all forms of anti-Asian racism and discrimination.
