

Fun Day at HH

We have been busily planning a Fun Day event that will take place on Friday, June 14 starting at 9am!!! There will be lots of fun stations for our students to enjoy. This event will take place rain or shine with alternate inside activities.

A hot dog lunch with a bag of chips and a juice box will be provided for all students free of charge.

We need some parent volunteers for the morning from 8:30-10:30. If you are available to help run a station, please email me at nneggers@sd42.ca

Market Day

Monday June 10

Fundraiser for Cops for Cancer

Ms. Vergara's class has been working hard creating products that they will sell at their Market Day on Monday! Items range in price from \$2-10.

All classes will have a chance to stop by and purchase their items!

50% of the proceeds will be donated to Cops for Cancer

From the Library:

Encouraging your kids to read over the summer is a great way to maintain and improve their reading skills. It can also help foster a lifelong love of reading. Summer is the perfect time for students to choose books they enjoy reading. There are lots of resources to help your kids in their quest for engaging and interesting reading choices!

Online Read Aloud Resources:

Everyone loves read-alouds. They help build fluency, vocabulary, and comprehension. Try exploring online reading sites like [Epic](#), [Storyline Online](#), and [One More Story](#). There are so many reading choices for every interest and reading level.

Public Library:

The FVRL is a great resource for all! Not only do they have thousands of books, they host many fun activities/events to build literacy and promote a love of learning. Summer Reading Clubs, story-times, virtual field trips etc. are just a few of the activities for summer 2023. If you are looking to get a library card for your family, there are a couple different options:

Register Online:

[Sign up online for a temporary card.](#)

Immediately gain access to FVRL's entire collection of digital content, and limited access to holds and borrowing from the physical collection. Confirm your details and provide proof of address for a full card the next time you visit in-person.

Visit In-Person

Visit any FVRL location with the following:

- Adults: One piece of ID with your current mailing address.
- Teens: (13-18 yrs) One piece of ID (e.g. student card).
- Children: (Under 13 yrs) One piece of ID for the child (e.g. birth certificate) and satisfactory proof of residence for the parent/guardian registering the child.

Have a great summer and happy reading!

School Supplies for 2024/25

All student school supplies for next year have been bulk ordered by the school. The cost of the school supplies for all students is \$60 inclusive of planner/home folder if needed. You can pay on the parent portal with a credit card or bring cash in an envelope/ziplock with your child's name clearly labelled. You are welcome to pay this fee before year end. Students will not need school supplies for the first week of school, they will receive their school supplies once they are assigned to their new classrooms the following week.
