- PJ Day!

As the festival of lights, Diwali, approaches, we are excited to announce that Harry Hooge will be celebrating Diwali Tuesday October 29th.

Diwali or Deepavali means "row of lights," and it's a time for joy, togetherness, and the triumph of light over darkness. This festival is celebrated by Hindus, Sikhs, Jains, and Buddhists all around the world. People decorate their homes with clay lamps, lights, beautiful patterns on floor called Rangoli, and they exchange sweets and gifts with friends and family.

Thank you to the PAC for supporting this event by providing all students with a sample of a vegetarian samosa. A samosa from the Persian word Sambosag is a fried South Asian and West Asian snack. It is a pastry with a savory filling, mostly vegetables, spiced potatoes, onions, peas, also meat, or fish. It is made into different shapes, including triangular, cone, or crescent, depending on the region.

We encourage anyone who would like to come dressed in traditional cultural wear!

We will be offering students small henna designs on their hands. If you DO NOT want your child to have a henna design, please let Mrs. Neggers know.

Cell Phone Use and Video Recording/Picture Taking at HHE

Cell phones are to be used by students only before school or after school or with permission from a staff member during the school day. Cell phones should be turned off and in the student's backpack during the school day.

To protect the privacy of all students and staff, no students should be using any device to record or take pictures of others unless under the direction of a staff member at any time of the day.

If you need to get a hold of your child during the school day, please call the office. We request that you do not call or text them from 8:30-2:20.
