Simply Foods Universal Lunch on Tuesdays and Thursdays

Often students tell us that the adult at home has ordered lunch for them. As we don't receive a list, we are not able to double check. We will always find something for your child to eat if they do not have a lunch, however it would be important for you to email lunch@simplyfood.ca if you ordered lunch but your child did not receive it.

We would like to welcome Mr. Remetio (Gr. 4/5 teacher) and Mr. Olah (Gr. 6/7 teacher) to Harry Hooge!

Harry Hooge Terry Fox Run: Parent Volunteers Needed

Our Terry Fox Run at Harry Hooge will take place in the afternoon on Friday October 11th. As we will be running a course throughout our community, we will require parent volunteers to ensure our students are safe and remain on course. ***If you are available from 12:30-2:15 on Friday October 11 and would like to volunteer, please email Ms. Ewald at Cheryl_ewald@sd42.ca.*** She will be providing more details closer to the date!

More information in regards to our fundraising goal for our Terry Fox Run will be coming out soon. Stay tuned!

Life Threatening Allergies at Harry Hooge

In several classes, we have sent letters home to that indicate that there is a student(s) with life threatening allergies. At Harry Hooge, one type of allergy we see is to a variety of nuts. We appreciate your help as we try to keep Harry Hooge Elementary as safe as possible for these students. Although we cannot guarantee that Harry Hooge is "Nut Free", we do our best to be as sensitive to these health risks as possible and to do what we can to minimize the threat of exposure to anything that might be harmful to a student.
