

**Are you monitoring your child's electronic devices/social media accounts?**

Recently, we have been made aware of multiple concerns regarding students' on line use. We have linked the Ministry of Education's guide for parents. We encourage you to read it and speak with your child about appropriate on line use.

[Raising Digitally Responsible Children: A Parent's Guide](#)

**"WEEK AT A GLANCE" Nov. 11-15**

**Monday, November 11**

- Remembrance Day stat: No School

**Tuesday, November 12**

One conference per student is offered. Please sign up on the parent portal on or after November 13. If there are not any times that work for you and your family, please reach out to your child's classroom teacher. The conference is the report card!

**Weekly Clubs**

**All open at 8am**

**Mon-Fri: Breakfast**  
**Mon, Wed, Thurs, Fri: Haven**  
**Wed, Thurs, Fri : Library**  
**Mon. Wed. Fri: Gvm**

**Neufeld Farms Fundraiser coming November 18-Dec. 2 with delivery on December 10<sup>th</sup>!**

**Staffing Update**

Please welcome Ms. Carrie to HHE. She has joined our EA team!

**Thank you to Mr. Olah and his students for organizing a thoughtful Remembrance Day Assembly.** 🌸

**Ways you can help at Christmastime!**

**Christmas Hampers:** We will again be supporting HHE families at Christmas. This year we will again be supporting families who register with the Maple Ridge/Pitt Meadows Christmas Hamper Society. More information to come with how you can support!

*If you are a family who could benefit from a Christmas Hamper, please register with the Maple Ridge/Pitt Meadows Christmas Hamper Society. We will be happy to support you! Registration opens November 18<sup>th</sup>!*

<https://www.mrpmchristmashamper.org/register>

**Friends in Need Food Bank:** We will once again be collecting non perishable food items to support our local food bank. Starting in December, we will be asking families to donate if they can.

*Thank you to our HHE village!*

## Physical Education Awards from Mr. Whalan

The Physical and Health Education program at Harry Hooge is built using units of work that last between 3 and 7 weeks. Each unit focuses on specific categories of sports/games/activities such as Invasion games (hockey, basketball, netball, lacrosse etc.) and Net Wall games (Volleyball, Pickleball, Badminton). Our primary students focus on developing the fundamental movement skills associated with these sports such as the “underhand throw” which is used commonly across all Net Wall games. Meanwhile, our intermediate students dive deeper into the concepts used throughout these games, as well as skill development. During each unit of work, students must demonstrate interpersonal skills to be successful, along with the physical skill development. Students who demonstrate consistent skill (both interpersonal and physical) are rewarded at the end of each unit with a certificate of achievement. There are four categories of achievement, therefore four students across the primary grades, and four students from the intermediate grades achieve this level of esteem.

This past week saw the first transition from one complete unit to another. We finished Net Wall games and have now begun Invasion games. The eight winners have received their awards in front of their classmates and their photo proudly displayed in the gym to recognize their greatness. The four categories are broken down as follows:

**MVP:** To achieve MVP status, a student must demonstrate consistent:

- Sophisticated skill and effort
- Teamwork
- Inclusion
- Leadership

**Captain:** To be the captain, a student must demonstrate consistent:

- Outstanding leadership
- Teamwork
- Inclusion
- Encouragement of others

**Hustling Hero:** To earn this award, a student must demonstrate consistent:

- Resilience
- Outstanding effort
- Unwavering positivity

**Ultimate Teammate:** To earn the title of Ultimate Teammate, a student must demonstrate consistent:

- Teamwork
- Inclusion
- Positivity
- Selflessness

These awards are new to the students and when examples of these qualities are shown during class, they are reinforced as working towards these wonderful awards. Not all students will demonstrate the consistency to attain such awards, however this gives all students a target to aim at when striving for excellence in Physical Education. If your student comes home with one of these awards, this is a huge accomplishment and should be celebrated accordingly. Harry Hooge is proud of student achievement in all aspects of learning. We encourage all students to be active whenever possible to improve their overall health and well-being.

***Congratulations to the following students who have earned awards this unit.***
