

Student Absences

Currently we have a very high level of student illness. Please ensure you let the office know if your child will be absent from school. You can do this any time day or night by logging into the Parent Portal and recording the absence or emailing hh_reception@sd42.ca or alternatively you can call and leave a message on the school phone.

Doing this ensures we can account for all students absent and it also frees up time for our secretaries to complete other tasks as they won't have to make as many phone calls home!

Volleyball

Our extraordinary Competitive Girls Volleyball Team has finished FIRST across the district and will now compete in the Final Four on November 28th. The girls have reached this pinnacle through their consistent effort and resilience that began at the beginning of the 2023 school year. Practice 2-4 times a week, plus their weekly games have placed them in this advantageous position. Harry Hooge congratulates the girls and Mr. Tesan on their accomplishments so far this season and wish them the best at the playoff series in a couple of weeks. All interested students and families are encouraged to attend the finals to support our team at Garibaldi Secondary on the 28th. An accurate time will be communicated in the coming days. Amazing work girls!

As a side note, girls are to bring their jerseys to practice on Monday to take a team photo.

Basketball

All interested grade 6s and 7s are encouraged to sign-up in the gym during recess and lunch, before and after school if they would like to play on the basketball team. First practices will happen later in the week. Listen for announcements. Our season does not begin until late January so students are encouraged to try out and can always change their mind. If our teams need more players, grade 5s will be invited.
