Our competitive girl's volleyball team wrap up their final week of practice this week as they face off against c'usquela elementary in the semi finals of the competitive girls championship series this Thursday at Garibaldi Secondary. When the girls win, they will face the winner of MRCS and Albion in the championship game later that evening. Regardless of the outcomes on Thursday, Harry Hooge is tremendously proud of the work the girls have consistently put in over the last two years. On behalf of the girls and our entire school community, we want to sincerely thank Mr. Ric Tesan who has steered this inexperienced group of timid grade 5 and 6 girls into a force to be reckoned with. Best of luck to this amazing group of athletes.

Maple Ridge/Pitt Meadows Christmas Hamper Society

Supporting our HHE Families

This Christmas, we will be supporting multiple HHE families at Christmastime through the Christmas Hamper Society. Let's all work together to make this season a special one for them!

Starting Monday December 2nd, one of the trees in the front entrance of the school will have paper bulbs on it. Each paper bulb will have a present and age of child written on it or the name of a store with an amount for a gift card.

Adults are encouraged to come take a paper bulb or two, purchase the item on the bulb and return the unwrapped gift with the paper bulb to the office by Friday December 13th!

School Closures

On rare occasions school may be cancelled due to extreme weather conditions. Public announcements affecting closure of schools will be made by the Superintendent of Schools. For the purpose of announcing emergency closures prior to the opening of schools, the radio stations listed below will be contacted by the district office. The announcements will be made between 6:30 and 7:00 a.m. News 1130 AM CKNW - 980 AM CBC - 690 AM As well, you can check the school district website and district social media feeds for updates: www.sd42.ca SD42 Twitter feed (@sd42news) SD42 Facebook feed When schools are closed, we cannot make calls home to let you know; nor, can we answer all the phone calls to ask if school is open.

Dress for the Weather

We spend all of our recess and lunch time outside and with the cooler temperatures and rainy weather upon us, we ask that you ensure your children are dressed appropriately for the weather. If your child has a tendency to get wet and muddy during recess/lunch activities, we suggest that you send an extra set of clothing each day to avoid having to bring dry clothes to the school when such accidents occur. Also, as the rains seem to be increasing, please consider having your child wear boots to school and to bring a dry pair of inside shoes to change into.
