Cell Phone Use and Video Recording/Picture Taking at HHE

Cell phones are to be used by students only before school or after school or with permission from a staff member during the school day. Cell phones should be turned off and in the student's backpack during the school day.

To protect the privacy of all students and staff, no students should be using any device to record or take pictures of others unless under the direction of a staff member at any time of the day.

If you need to get a hold of your child during the school day, please call the office. We request that you do not call or text them from 8:30-2:20.
