

Student Absences

Currently we have a very high level of student illness. Please ensure you let the office know if your child will be absent from school. You can do this any time day or night by logging into the Parent Portal and recording the absence or emailing hh_reception@sd42.ca or alternatively you can call and leave a message on the school phone.

Doing this ensures we can account for all students absent and it also frees up time for our secretaries to complete other tasks as they won't have to make as many phone calls home!
