Reporting Student Absences and Late Arrivals

Did you know, if you don't report your child's absence, the clerical staff will call down the list of all phone numbers on file and email all addresses on file until we get confirmation your child is safe and accounted for? This can be very time consuming for our clerical staff. ***It would be very helpful if your child is not attending due to illness or any other reason, to please contact the school.***

The best way to report a student absence is by using the Parent Portal.

1. Log in to the Parent Portal
2. Click on "Report Absence"
3. Select your child's name
4. Select the date(s) absent (from and to)
5. Click the absence reason
6. Leave a comment if you wish
7. Hit "Submit" You can use this system 24 hours per day!

Alternatively, you can call the office at 604-463-0866 and leave a voicemail or email the office at hh_reception@sd42.ca to report the absence. Attendance will be taken by staff daily and we will follow up with parents on all absences not already reported to the school. Students who arrive late for school (i.e. are not present in their homeroom classroom when the teacher takes attendance at 8:40 am and 12:40 pm) must report to the office before proceeding to their classroom.
