Class Placement Parent Input

We are beginning to create our classes for next year. Please be assured that staff devote considerable time, care and attention to this process. This very complex and lengthy responsibility occurs over several weeks and continues into September when class placements are finalized.

Throughout the year, there have been many opportunities for parents and teachers to discuss each child. Staff work together to consider the following criteria very carefully: social emotional skills and relationships, as well as learning styles, strengths and needs. Our goal is to create safe and engaging inclusive classrooms that balance these factors, as equitably as possible.

If you feel there is further information to consider about your child, you may submit input in writing via email to Nicole_neggers@sd42.ca by May 15th.

Any input stating specific teachers, or peers by name will not be accepted.

Kleenex Box Donation

Donate a Kleenex box or two this week and your child's name will be put into a draw to win a prize!

Lost & Found

Our lost and found is quickly outgrowing its box! Please take a moment to check to see if any items belong to your child.
