BC SUMMER READING CLUB 2026

### Encourage kids to join Summer Reading Club

Make reading fun this summer! Dive *Under the Sea* and join Summer Reading Club (SRC). SRC is a free program that encourages kids to track their reading every day. Kids who read over the summer perform better at school. You can read anything — novels, picture books, information books, graphic novels, magazines, audiobooks, ebooks, websites — it all counts!

This year's theme is *Under the Sea*. Registration for in-person and online SRC officially begins June 21. For information about SRC and how to register, visit [www.fvrl.ca](http://www.fvrl.ca).

Here are the exciting activities your children can enjoy when they participate in SRC:

- Enter contests to win prizes.
- See amazing performers.
- Participate in fun activities online.
- Earn a medal!

It's not just for kids! Did you know that SRC is open for teens and adults too? Families can participate together to support each other's reading and set a positive example. The library has something for everyone this summer - and it's absolutely free!
