Dress for the weather!

Please send your child with at least one change of clothes (possibly 2 if they are kids who like to play in puddles!). This includes extra shirts, pants, underwear and socks! We do go out for recess and lunch when it rains. Umbrellas, boots and raincoats are suggested!

Staffing Upadate

We would like to welcome back Ms. Holly O'Toole to HHE! She has accepted an EA position and we are thrilled to have her back!

As the festival of lights, Diwali, approaches, we are excited to announce that Harry Hooge will be celebrating Diwali on Friday November 6th.

Diwali or Deepavali means "row of lights," and it's a time for joy, togetherness, and the triump of light over darkness. This festival is celebrated by Hindus, Sikhs, Jains, and Buddhists all around the world. People decorate their homes with clay lamps, lights, beautiful patterns on floor called Rangoli, and they exchange sweets and gifts with friends and family.

Thank you to the PAC for supporting this event. Each year the PAC provides funding for cultural food samples! Details are still in the works of what food samples will be served on Friday!

We encourage anyone who would like, to come dressed in traditional cultural wear!

We will be offering students small henna designs on their hands. If you DO NOT want your child to have a henna design, please let Mrs. Neggers know.
