

# Week at a Glance

## Oct. 25-Nov. 1, 2024

The countdown is on to Halloween. A couple reminders...

- costumes that could be offensive or perpetuate a stereotype of someone's gender identity, culture, race, religion, age, or disability will not be allowed.
- costumes that depict violence, alcohol, and drugs are not allowed
- do not bring any replica weapons to school
- masks may be worn for the costume parade but will need to be put away for the rest of the day

We hope that everyone has a safe Halloween!

**Thank you PAC** for a successful movie night and your ongoing support for the school! We appreciate all the efforts that are made to build community and raise funds to support the school.

**Congratulations to our Cross Country runners** for representing our school at the primary and intermediate meet. A big thank you to our teacher coaches for all their work in preparing the students!

**WITS**

One of the tools that we teach the students at Highland Park is to use their WITS when someone is bothering them. Using this common language can help students respond to peers when they are being bothered. This can be useful at home as you are talking to students about their day or problems they are having with others at school.
