In the Community

Information night: Are you interested in hosting an international student?

Are you interested in welcoming an international student into your home? Join us for an online information session on Thursday, November 14, 2024, at 7 p.m. Call 604.466.6555 Ext. 3 or email inted@sd42.ca to register.

Hosting an international student allows you and your family to experience new cultures and connections while making a significant difference in a student's life. Host families are a valuable part of the Maple Ridge – Pitt Meadows International Education program and provide our students with support to help them adjust to living away from home. This support helps students have a positive experience both academically and out of school.

Whether you have hosted in the past or are new to the experience, we have varying program lengths, allowing you to choose which works best for your family.
