Conferences

- **Kindergarten Sibling Registration:**
Opens noon, January 7, 2025
Closes midnight, January 11, 2025

Please note that supporting documentation for both registration phases is due to the school by noon on January 22, 2025.

Winter Concert

Mark your calendars...our Winter music concert is Dec. 18 at **9am and 1pm**. Doors will open at 845 and 1245. We will be collecting cash and food donations at the door for our Christmas Hampers.

Giving Tree – Christmas Hampers

We partner with the Maple Ridge Christmas Hamper Society to provide Christmas Hampers for families in our community. Our Giving Tree is now up. If you would like to help a family in need, choose an ornament wish from the tree. Please return the gift unwrapped, with the ornament to the office by the end of the day on December 12.

Food Donations

We are collecting food donations for our hampers. Please bring donations into the office.

Starfish Program

The last day for the Starfish program is Dec. 20.

Thank you Parents

The market was a huge success! Thank you for all your efforts in organizing this community event. It was so great to see everyone, especially our kidpreneurs!

Messages from the PAC

Wow thank you SO much everyone that made the market such a big success. We were blown away by the generosity of our community taking gift ornaments off the giving tree & through very generous cash donations at the door. We hope all the kidpreneurs had many successes at their tables & your new pet dragons are behaving well.

It's a busy time in PAC land! We have officially wrapped up hot lunch ordering for 2024! Boston Pizza will be delivered to classes on Friday. Our new menu will be up ASAP now that market chaos has ended.

The PAC will be back for our final TWO toonie Tuesdays of 2024 with special holiday treats! See you by the front doors after school December 10th & 17th.

The PAC is excited to see you Wednesday, December 18th at the Holiday concert for a combined treat & drink table with our Grade 7 leaving committee. Cash only at the table please, coffee, cookies, drinks, chips, popcorn & more surprises.

A motor assisted cycle (e-bike) must have:

- Fully operable pedals (or hand cranks) capable of propelling the cycle, including when the motor is engaged and providing assistance propelling the device
- An electric motor of a certain maximum output and no combustion engine
- Safety features that stop the motor from propelling the device in certain instances (e.g. when braking or when not pedaling or applying the throttle)
- Motors and batteries that are securely fastened to the cycle (must have insulated and covered electrical terminals)
- Two or three wheels (must be at least 350mm in diameter)
- A braking system capable of quickly bringing the device to a stop

Standard E-Bikes:

- Minimum rider age: 16
- Maximum motor-assisted speed: 32 km/h
- Maximum motor power: 500W
- Throttle assist: Yes

Light E-Bikes:

- Minimum rider age: 14
- Maximum motor-assisted speed: 25 km/h
- Maximum motor power: 250W
- Throttle assist: No

*To qualify as a light e-bike, the motors of a motor assisted cycle must not be capable of propelling the cycle unless the operator is pedalling or hand cranking the cycle. The motor assisted cycle must not be equipped with an accelerator controller.

A fine of \$109 may be issued under the Motor Assisted Cycle (E-Bike) Regulation.
