Thank you Parents for the treats this week! Much appreciated.

We had Constable Parsons, Constable Edwards, and Clinical Counsellor Mrs. French present to our grade 5-7s about bullying. The students were respectful and asked great questions. One of the topics was about the difference between being rude, being mean, and bullying.

Rude – When someone says or does something unintentionally hurtful, and they do it once.

Mean – When someone says or does something intentionally hurtful, and they do it once.

Bullying – When someone says or does something intentionally hurtful, and they keep doing it even when you tell them to stop or show them that you are upset.
