Halloween

As we prepare for our Halloween celebrations, please remember that costumes should be elementary school-appropriate. Costumes should not include replica weapons, gory or scary elements, or anything that might frighten younger students. Masks may be worn during the parade only.

We also ask that students avoid costumes that represent or mimic cultures, identities, or traditions—culture is not a costume. Let's make sure our celebration is fun, respectful, and inclusive for everyone!

Lice Reminder

Head lice are common in school settings and can affect anyone. While they're a nuisance, they're not a sign of uncleanliness and do not spread disease. We encourage families to check their child's hair regularly and remind students not to share hats, hair accessories, or brushes. If lice are found, please treat promptly and let the school know so we can take appropriate steps to support prevention.
