Parent Input Regarding Student Placement for 2024-2025

Student's Name Current Grade

Current Teacher's Name

We are beginning to create our classes for next year. Please be assured that staff devote considerable time, care, and attention to this process. This very complex and lengthy responsibility occurs over several weeks and continues into September when class placements are finalized.

Throughout the year, there have been many opportunities for parents and teachers to discuss each child. Staff work together to consider the following criteria very carefully: **social emotional skills and relationships**, as well as **learning styles, strengths, and needs**. Our goal is to create safe and engaging inclusive classrooms that balance these factors, as equitably as possible.

If you feel there is further information to consider about your child, **you may submit input to the principal or vice-principal (and/or your child's classroom teacher) in writing using this form or by sending an email to lisa.lawrance@sd42.ca or suzanne.collette@sd42.ca by May 24th. Please refrain from requesting specific teachers or peers by name.** As class placement at Laity View is a collaborative process, parent input forms are shared with all teachers for discussion.
