## DECEMBER 2019

### MESSAGE FROM THE PRINCIPAL

There are only a few weeks left until the holidays and while the weather outside may be chilly, the energy and excitement at MRE is keeping it warm and inviting. Here are a few highlights we want to mention this month...

Student-Inclusive Conferences are nearly complete, and parents can expect a copy of the reporting exemplar to go home shortly. This will serve as a summary of the conference discussion. Thank-you to teachers, students and parents for working together to discuss student successes, explore evidence of student learning and set goals for the next term.

December is an exciting month and our staff are busy decorating bulletin boards, classrooms and our stage for Christmas. Elves have been showing up in unusual places and children are counting down the days until Jolly Old Saint Nick arrives. Plans are in full swing for MRE's Santa Mall which takes place on December 5 and 6. Thanks to Josh & Jeannie Harmon, Christine Willman, and our wonderful volunteers, our ADST room will be transformed into a shopping place where children can purchase that perfect gift for someone special. We will finish off the week before holidays with MRE's Christmas Concerts. We are very proud of our students and look forward to the opportunity to showcase their talents and celebrate the festive season with our school community.

The Christmas Shopping Extravaganza and Book Fair were a huge success thanks to so many kind-hearted volunteers. We are also especially grateful for Dallas Bell and Nicole Keough who lead both of these incredible community events. This year we were very fortunate to enjoy delicious meals from Hollywood North Catering, thanks to Tony Short and Tanya Houle, who donated all proceeds to our school. MRE also enjoyed its first Pub night fundraiser thanks to Nareen Atkins and Teagan McGeachie. A terrific time was had by all, and the proceeds are going towards a new primary playground at MRE!

On behalf of the MRE staff, we want to wish you, and those you love, the best of the holiday season, and also take a moment to say another heartfelt thank you for all the support you send our way. We look forward to welcoming students back to school on Monday, January 6.

Mme Donna Servant  
Principal

## MRE is proud to offer both English and French Immersion Programs!

*Thinking of French Immersion Kindergarten? We have a new and thriving program right here at MRE!*

Immersion is the most effective method known for teaching a second language. Students master French in the same way that they learned English. Studies have shown that it is easier and more natural for a child to learn another language at a very early age. The aim of early French immersion is functional bilingualism. The process is so natural because French is used as the language of instruction and as a means of communication. It is also worth noting that learning subjects in French does not interfere with English language development as children spend the vast majority of time communicating in English with family and friends.

Please contact Donna Servant, Principal at MRE [dservant@sd42.ca](mailto:dservant@sd42.ca) if you have any questions about our program.

## Supporting All Learners 2018/19

I am very pleased to present to you our *Supporting All Learners* annual learning report. As a school district, we rely upon the learning priorities of each school, as set out in school growth plans, to drive board-funded learning supports and structures. We now have several years of investment and focus on the four following areas identified in school growth plans: social and emotional learning, literacy, learning and assessment, and secondary innovation.

Our sustained focus on and work in these four key areas of learning have resulted in inclusionary teaching practices, new assessment tools and practices, workshops, professional development, the addition of helping teachers, new programs, and support from educational researchers. As you will see in your review of the report, the investment is beginning to reap significant and positive results for our students.

## SCHOOL CLOSURE DECISION: SNOW

The decision to close schools due to accumulating snowfall is ultimately the responsibility of the superintendent, who must balance the safety of students, staff and parents with the need to provide learning. The decision is not taken lightly and is the result of a carefully thought out process that is reviewed after each experience and refined if necessary.

The decision to close schools is made by 6 a.m. Details are:

- Posted on the SD42 Twitter feed (@sd42news);
- Posted on the SD42 Facebook feed (SD42Facebook);
- Shared with News 1130, CKNW, and CBC 690 radio stations;

## READING CORNER

Nightly reading time is critical for your child's long-term reading development so please make reading time a priority in the months ahead. Reading is simply the most important factor in school success.

It is sometimes wrongly assumed that reading skills are due mainly to natural ability; that children are either good readers or they are not. This is simply not the case. While it is true that some children do initially learn to read more easily, the MOST important factor in a student's eventual reading level is the amount of time they spend reading. One study of almost forty thousand fifth graders found that those who read 40 minutes a day acquired almost four times the vocabulary of students who read only 12 minutes a day. It also found that students whose family encouraged reading activities at home had higher reading achievement. Reading research consistently shows a potent relationship between the volume of reading and reading achievement, so please encourage your child to read every night!

## HAPPY HOLIDAYS FROM THE LIBRARY

First, I would like to congratulate all of the students who participated in Bookfest this year. It takes a great commitment of time to take part, but the rewards are worth it. MRE Bookfest students were awesome ambassadors for our school and demonstrated excellent behavior and sportsmanship. Well Done! This year's Bookfest books are now available to the entire student population. Encourage your intermediate child to check one out even if they weren't in Bookfest this year!

I have noticed that there are a number of students with overdue books. It would be greatly appreciated if families could take an extra look around the house for them over the winter break. We wouldn't want Santa to trip over one and get hurt.

Happy New Year and hopefully everyone in your home will have a chance to curl up with a good book over the next few weeks!

Ken Bisset  
Teacher-Librarian

## VOLUNTEERS & VISITORS

In the interest of safety and security it is imperative that we know who is in our school at all times. If you need to drop something off for your child or are volunteering in the school, please check in at the office.

## BEFORE & AFTER SCHOOL ARRANGEMENTS

Please ensure that your children are aware of lunchtime and afterschool arrangements when they arrive at school in the morning. We are happy to assist when unexpected problems arise, however we do appreciate your efforts in keeping those occurrences to a minimum so as not to disrupt the classroom learning environment.

## CHRISTMAS CONCERT

We would like to invite you to our annual Christmas Concert. We have two showings of our concert; Wednesday, December 18 at 8:45 am and Thursday, December 19 at 12:45 pm. Both performances are the same. We appreciate your family attending only one concert in order to ensure there is enough space for everyone.

This year we will be accepting donations of toiletry items as well as non-perishable food for our local food bank at the front door of our concert. These donations go a long way to helping so many families in need of some support.

## CHRISTMAS HAMPER DONATIONS

Our PAC is creating Christmas Hampers for some of our MRE families. They are accepting donations of non-perishable food items, toys, gift cards to the movies, grocery stores, Walmart, any items that you feel would brighten a family's Christmas. There is a basket labelled "PAC Christmas Hampers" in the office where you can place your gifts. If you want to purchase a specific item for a child, please email Nicole Keough at [nekoalne@hotmail.com](mailto:nekoalne@hotmail.com) and she will share the gender and age of a specific child in one of our families. Thank-you for making a difference!

## BOTTLE DRIVE

The grade sevens will be holding a bottle drive to raise money for their Leaving Ceremony at the end of the year. The bottle drive will be held in the round-about in front of Maple Ridge Elementary on Saturday, January 4 from 8 am to 2 pm. They would appreciate it if you could collect your empties over the holiday. Students will be canvassing door-to-door to collect the bottles, or you can drop them off to the school during the drive. You could also contact Sabrina Harker at [sabrinaharker@hotmail.com](mailto:sabrinaharker@hotmail.com) for more information about earlier collections. Thank you for your support!

## TEACHER COMMUNICATIONS

Just a friendly reminder that staff are engaged in teaching and learning activities throughout the school day. We endeavor to respond to messages in a timely manner but sometimes this is not possible until the next business day. Thank-you for your patience and understanding.

# PAC NEWS.....

I would like to take a minute and thank our amazing volunteers that came together and made our bookfair a success. We are grateful to Nicole Keough for leading this important event that provides so many books to our school! Thank-you to Dallas Bell and volunteers for another fabulous shopping extravaganza! And in advance to Josh & Jeannie Harmon and Christine Willman for organizing a special Santa Mall on Dec 5<sup>th</sup> and 6<sup>th</sup> for the students of MRE. Thanks to Nareen Atkins and Teigan McGeachie a great time was had by all at the first MRE Pub Night in November! We are so fortunate to belong to a school community with so many dedicated families.

It's been said it takes a village or as I like to say many hands make light work. It has been inspiring to see so many parents coming out to our PAC meetings! Your PAC supplies the school with many things that your teachers and students need in order to enhance our children's school experiences. Your PAC brings fun days, hot meal days, books, and educational speakers to your students. Without volunteers, these things CAN'T run, and these things can't be purchased. We always welcome new faces and more volunteers. Please email at [nekoalne@hotmail.com](mailto:nekoalne@hotmail.com) if you can help in any way.

The holidays are approaching and the MRE PAC would like to wish everyone a fantastic one. We are such a diverse community of caring people with the common goal of creating a sense of belonging for all our children. I hope you find yourselves learning and embracing each other and filling yourselves with love and acceptance. I'd like to wish you all a very Happy Holiday. Whether it be Christmas, Hanukkah, Kwanza, Yelda, Ashura, Bodhi, Solstice, or whichever fills your souls, I hope that it is full of love and warmth.

**It is time once again for the Grade 4 & 5 Snow Pass!**

Every year students in Grades 4 and 5 can purchase the Canadian Ski Council's Snow Pass which will let them ski and snowboard three times at EACH participating ski area for \$29.99. Since The Snow Pass card is accepted at over 150 ski/snowboard areas in Canada, that's a whole lotta cheap skiing and boarding! Some restrictions apply; kids need to be 9 or 10 years old and living in Canada, some hills have blackout periods, and some may require a paying adult with the child.

Visit [www.skicanada.org/grade-4-5-snowpass](http://www.skicanada.org/grade-4-5-snowpass) for more information and to apply and ski all winter long!

Dear Parents and Guardians:

**Re: Requirements Under BC's New Vaccination Status Reporting Regulation**

BC's new Vaccination Status Reporting Regulation came into effect on July 1, 2019. It supports the gathering of immunization records by Public Health. The regulation applies to all students in all schools within the Province's jurisdiction, including those who are home-schooled. It does not apply to children attending schools in First Nations communities.

In the coming months our staff will check the immunization records we have on file for **children in Kindergarten**. They will identify children whose records are missing or incomplete. Families of these children may be contacted.

Parents/guardians of children in **Grades 1 to 12** will need to check their child's records and are asked to provide us with any missing immunization information required under the regulation.

**What do parents/ guardians need to do?**

You can use the online Vaccination Status Indicator tool at <https://immunizebc.ca/vaccination-status-indicator> to check if your child's immunization record is missing or incomplete. The Indicator tells you if your child's immunization record is on file with public health but does not provide any details about their immunization status or history. Health authority public health units already have complete immunization information on file for most children.

If the Vaccine Status Indicator shows that your child's immunization records are **up-to-date**, then you **do not need to take further action**.

If the Vaccine Status Indicator shows that your child's immunization records are **pending, no action is required at this time**. These records are in the process of being inputted into the system and may take some time to be entered.

If the Vaccine Status Indicator shows that your child's immunization records are **incomplete**, this means either public health does not have your child's records or your child needs additional immunizations. If your child has been immunized by a health care provider outside of public health, you need to contact those providers and ask for a copy of your child's immunization record. **Please provide these records to your local public health unit.**

You can submit records in-person at a public health unit. You can also send a photo or type the record into an e-mail and submit it to [reportimmunizations@fraserhealth.ca](mailto:reportimmunizations@fraserhealth.ca). Be sure the record you are submitting has your child's full name, date of birth, sex, and personal health number (PHN) if the PHN is available. Records can also be provided to a Community Health Nurse in a First Nations Community.

**If your child needs additional immunizations, please call your family doctor, a pharmacist, or public health to book an appointment.**

Visit [www.fraserhealth.ca/getimmunized](http://www.fraserhealth.ca/getimmunized) for a list of community vaccine providers.

To book an appointment with public health call:

- 604-702-4906 (residents of Mission, Abbotsford, Chilliwack, Agassiz and Hope)
- 604-476-7087 (residents in all other areas of Fraser Health)

Collecting immunization information allows us to connect with families about the importance of disease prevention. It also helps public health to control outbreaks by quickly identifying children who are not fully immunized and helps everyone get back to learning as soon as possible.

For more information, please visit <https://immunizebc.ca/vaccination-status-reporting-regulation>

Thank you for helping to keep our children and communities healthy.

Sincerely,

Ingrid Tyler
