## Maple Ridge Elementary

Friday, June 11<sup>th</sup>, 2021

### THEME DAYS

This week we had a fashion disaster theme day! Students did a great job with their mismatched prints, inside-out items and other fashion faux pas. We've also scheduled one final theme day of the year which will be a **rainbow-coloured day** on June 23<sup>rd</sup>. We look forward to seeing everyone in their bright colours and rainbow items. We will also be continuing our tradition of Friday House Teams / Spirit Wear until the end of the year.

### YEAR END REMINDERS

As the school year comes to a close, please take a few moments to go over the following:

- ☐ Continue to do the daily health check with your children before sending them to school
- ☐ Check your home for any missing library books and return them
- ☐ If your child has medication(s) at the office, please pick it up before June 25<sup>th</sup>
- ☐ Ask your child to check the lost and found for any clothing items that belong to them
- ☐ Check with your child's teacher before sending any food or goodies – we are still following district Covid protocols around food sharing

NEW!

The 2021 Pitt Trooper Summer Camp will predominately (July 5-August 20) take place at the Heritage Hall on Harris Road (next to the Skate Park, and Harris Road Park). This fantastic new opportunity provides us with close proximity to a variety of outdoor programming options which will make the Summer a blast for your child(ren). Parents please note that due to COVID-19 restrictions and room capacities to physically distance there are no waiting areas in the Heritage Hall facility during the Pitt Troopers program.

The facility is closed to gathering and parents will not be permitted in the program area. Please make sure to factor this in when you register your child. Sign in and sign out will take place at the Heritage Hall rear side entry doors, located next to the parking lot area. We will have a sign in table and City signage to make us easily visible. All of our Day camps have been specially programmed to offer as much outdoor activity as possible. While the program finds itself inside, staff will coordinate the fun with physical distancing in mind. Play and craft stations will

offer a 2 metre space between each participant. Much like our popular after school program (Kids Gym), all sports equipment will be individually assigned. Routine cleaning happens before, during and after activities, and we record regular hand washing/sanitization.
