

Summer Opportunity for Locker Assignments and Reconnecting to MRSS and Each Other

A message from our Principal, Mr. Grant Frend

We hope this message finds you enjoying this great weather. A more detailed school start up message will be sent out on Monday, August 29th. The purpose of this message is to communicate our new locker distribution process.

This year we will have an early locker distribution schedule the week before school starts. Students who take advantage of this opportunity will get first choice of lockers and have a locker ready to go on opening day. Senior students (grade 11/12) will receive top lockers.

To receive a locker students must have paid student fees for the current school year (now live via the parent portal). Students unable to pay via the portal can pay at the MRSS office by cash or cheque. Students MUST bring a lock on this day as we cannot reserve lockers without a student lock. Please note that we no longer sell locks.

Grade 12 Senior Sunset - August 30 Beginning @ 7:00pm

On Tuesday, August 30th at 7pm we will host our 1st annual Senior Sunset in the MRSS courtyard. All grade 12's who have paid student fees are invited to come to the school for Senior Sunset to select their lockers. We will have a printed list of who has paid their student fees but students should also bring a copy of the portal receipt or their paper receipt if paying in the office. Please note that we can't take payments at Senior Sunset.

In addition to locker selection, Senior Sunset is an opportunity for our 2023 grads to re-connect with each other and to celebrate the start of their senior year. Students are encouraged to bring a lawn or camping chair. We will have games such as spikeball and bocce as well as light refreshments. Students who are unable to attend this event can have a peer select their locker provided student fees have been paid and proof provided. Alternatively, students can select a locker during the first week of school, once school fees are paid.

Select Your Locker Before School Begins - August 31

Early locker distribution will happen according to the schedule below (students should arrive to locker distribution day with a print-out or screen shot of their payment receipt to speed the process up). Students are encouraged to pay via the portal prior to August 31st as this will speed up the process. We will only be doing early distribution for Gr. 9-11 students on Wednesday, August 31st.

Students will enter the school via the main entrance and receive instructions from our Administrators. Students should arrive at the times outlined below (multi-grade siblings can come together at any of the times below).

Students unable to claim a locker on August 31st will receive instructions the first week of school about how to claim a locker after student fees are paid.

Anxiety Hack:
Students should take a photo of their locker number and lock combination when claiming their locker.

Grade 11 from 10:30 am – 11:45 am

Grade 9 from 2:00 pm – 3:15 pm

Grade 10 from 12:30 pm – 1:45 pm

Grade 8s select lockers on September 1

Again, students should bring their own combination lock when claiming a locker as MRSS will no longer be selling locks and lockers can't be reserved without a lock.
