LINK CREW – GRADE 8 MENTORS

LINK Crew mentors are senior students who volunteer to mentor and provide support for our grade 8 students throughout the school year. On May 25th they will be assisting students in many ways such as answering questions, finding classes, organizing events and activities.

At the orientation day on September 1st your student will be linked up with 2 LINK Crew members for the entire school year as mentors and a support system!

WHAT TO BRING

Students will need to bring a snack, a notebook, pen & pencil, and gym strip if PE is on their timetable.

We won't be providing lockers so don't students shouldn't bring unnecessary items because they'll have to carry them class to class.

We'll be having a special bbq at lunch for them so they don't need to bring lunch unless they have special dietary needs. Students do not need to bring money.
