Activity and Assembly

2:30

Dismissal and pick up from Main Gym

LINK CREW – GRADE 8 MENTORS

LINK Crew mentors are senior students who volunteer to mentor and provide support for our Grade 8 students throughout the school year. On **Wednesday, May 21** they will be assisting students in many ways such as answering questions, finding classes, organizing events and activities.

At the **orientation day on Thursday, August 28** your student will be linked up with a LINK Crew member for the entire school year as mentors and a support system!

WHAT TO BRING

Students will need to bring a snack, a notebook, pen & pencil, and gym strip if PE is on their timetable.

We won't be providing lockers so students shouldn't bring unnecessary items because they'll have to carry them class to class.

We'll be having a special bbq at lunch for them so they don't need to bring lunch unless they have special dietary needs (vegetarian options will be available).

Students do not need to bring money.
