SD42 Maple Ridge / Pitt Meadows

Daily Health Assessment

* This consent form must be completed before your child can return to school *

All parents, guardians, and/or caregivers MUST conduct a daily health assessment of their child(ren) following a district-provided checklist before sending them to school. In providing your consent, you agree to perform this daily assessment of your child, and to keep your child at home if they show any symptoms of illness as listed on the district Daily Health Assessment checklist.

I agree to conduct a daily health assessment of my child using the district Daily Health Assessment checklist, AND I agree to keep my child at home if they show any of the symptoms of illness outlined on this checklist, if anyone in our household returned from travel outside Canada in the last 14 days, or if anyone in our household is a public health confirmed contact of a person confirmed to have COVID-19.
