Please note:

Committing to the requests you choose is very important as course change requests in S may be required to remain in any course initially requested. Please remember to select your courses based on your interest in the subject as teachers currently teaching a course may not be teaching that same course the following school year.

Support options are arranged through parent conversations with support teachers starting mid-May. Please reach out to the school's identified support contact or department head at that time should you have questions.

Don't forget to sign and submit!
