## Principal's Message

Looking back on the 2021-2022 school year brings to mind many wonderful memories. The students, staff and parents of Pitt Meadows Elementary have continued to make us proud to be associated with such a positive school. It has been a joy to be in a school filled with laughter and smiles where children are enjoying to learn.

We would like to congratulate the students and staff for a successful year. To the Grade 7 students who are continuing their educational journey, we wish you lots of success. We have been impressed with the many examples of leadership around the school. You have been excellent role models that have contributed to the kind and caring environment we have at PME.

We wish all of our PME families a safe and fun filled summer.

Bonnes vacances,  
Mme Linton
