Please describe the action(s) to be taken (i.e. Administering medication, calling home, calling 911):

E. AUTHORIZATION:

I agree:

- To supply medication to the school in the original container with the child's name, prescribing physician and pharmacist's directions for use, including dosage.
- To supply the medication in the original container with directions for use, including dosage, if an over the counter medication is used.
- To keep an adequate supply of current medication at the school.
- To provide my child with a medical alert bracelet/necklace, as required.
- To contact the school and provide revised instructions if changes occur. I am aware I am required to update this information as needed and no less than annually.
- That the Public Health Nurse for the school may be informed of my child's condition and treatment and that the Nurse may contact me as necessary.
- That the staff working with my child may need to know of my child's condition and/or the medication required.
