WELCOME TO PMSS!

We have included some helpful info you may need!

My Class

After you have accessed your SD42 email you will notice an email (or perhaps several) from MyClass in your inbox. One of those emails should have a temporary password to the MyClass site. Go to https://myedbc.sd42.ca/MyClass to learn more about how to log into MyClass and use that temporary password.

My School Day App

Download the app and subscribe to the Link Crew 2021/2022

Student Accounts:

This info will help you access the Office 365 Suite which contains many apps including: Outlook (email)., Teams, Word, and PowerPoint.
To Access: open browser and type me.sd42.ca & login using...

USERNAME: your student number @mrpm.sd42.ca
Ex: 12345@mrpm.sd42.ca

PASSWORD: Could be your initials and birth date, for example
John Smith born December 16th 2003 would have the password:
js2003.12.16
Or it could be Pms@sd42
or perhaps you changed it to something else. If it doesn't work, please check with your teacher librarian to reset or update your password.
Your email address is:
student#@me.sd42.ca
ex: 12345@me.sd42.ca

Wifi Instructons

Depending on what type of phone you have: iPhone/Android your login registration certificate download will look different. The basic process is: Go to your settings and make sure you are connected to "Registration" Then go to your web browser and type in **"wifi.sd42.ca"** it will prompt you to login with your username and password.
Username: your student number
Password: Whatever your password is
After this point the download process will be different for iPhone and Androids. Go to the following link:
