WHAT TO BRING

It is not necessary to bring any school supplies for this day. For Wednesday the basics will be required: a binder, paper, pens, pencils, dividers, and highlighter. If there are any special requirements, individual subject teachers should let you know what you will need.

LINK CREW – GRADE 8 MENTORS

LINK Crew mentors are senior students who volunteer to mentor and provide support for our grade 8 students throughout the school year. They will be working with your child on this day, helping to prepare them for the school year and to hopefully reduce any angst your student may have about coming to high school.

At the orientation day on September 6 your student will be linked up with two LINK Crew members for the entire school year as mentors and a support system!
