Dear Sir or Madam:

**RE: GRAD 2024**

The Samuel Robertson Technical Secondary School 2023-24 Grad Committee is very excited to be celebrating the grads of 2024 on Saturday, June 1. We are hoping to be able to host a reception where the students can celebrate their achievement.

Our graduates have worked hard for the last 13 years to make it to this point, and we would like to reward them by providing them with a safe and fun celebration that they will remember for years to come. With this in mind, we are asking for your support in contributing to this celebration. The success of this important once-in-a-life-time evening is made possible by the generosity of community sponsors such as yourselves.

The graduates welcome any food, cash or prize donations for our dry grad activities at SRT. Please contact Tara Black at [srtgrad2024@gmail.com](mailto:srtgrad2024@gmail.com) or more information or to make arrangements for pick-up of your donation.

Thank you in advance for supporting the 2024 Samuel Robertson Technical Secondary School graduates. Your contribution will make a positive difference and is much appreciated!

Sincerely,

A blue ink signature of Ken Elphick.
