

WORK AT HOME PERMISSION FOR GRADE 11/12 STUDENTS

Quarter #1

Dear parents/guardians of THSS grade 11/12 students:

Due to the unique nature of our school structure this year due to Covid, we have a very unique senior course structure. We know that many families want the opportunity for their student(s) to work at home as often as possible. As such, we encourage grade 11/12 students to take advantage of the ability to work at home when not in set classes. With this signed form your student may work from home when not in a set class.

Students who do not work from home when not in set classes will be assigned a seat in a multi-graded work area where they will be physically distanced from peers. Students will be supervised by staff, and students will not be permitted to wander the building freely. Students staying for the afternoon who do NOT leave for lunch, will be assigned a seat in a work area for lunch. Students may NOT wander the halls.

If your child has a learning support teacher, that teacher will connect with you about support options.

Please note: if you indicate your child will work at home when not in set classes, you may still email us to set up times to stay if need be ie student needs extra help etc.

Student schedules will be available on Wednesday September 10th, at 9 am via MyClass. Please review your student's Quarter 1 schedule and then complete the section below. On student schedules, classes show up in periods as P1, P2, P3 or P4. Some people use letters in describing periods ie P1=A, P2=B etc. Please note that P1/A and P2/B alternate so Monday, Wednesday and Friday P1/A happens first block at 8:45. On Tuesdays and Thursdays P2/B happens first block at 8:45 with P1/A happening afterwards. Our afternoon blocks do not flip in the same manner. A reminder as well that some senior classes will meet once per week face-to-face, while others will require a second face-to-face meeting. Teachers will communicate this with students in class. Even though there are fewer face-to-face meetings, students should expect to have work assigned and due regularly throughout the week.

We will send this form out again for quarter 2, as changes may be necessary.

PLEASE HAVE YOUR STUDENT BRING THIS FORM TO HEALTH AND SAFETY ORIENTATION IF POSSIBLE

Today's Date: _____

Student's Legal Name: _____

Name of Parent: _____

Signature of Parent: _____

_____ My student will work from HOME when not required to be in set classes

_____ My student will remain at school after second block and requires an assigned seat for lunch/afternoon (administration will connect personally with these students to discuss their needs and make appropriate plans)
