- December 18: Last day before Winter Break

"Maybe Christmas"
the Grinch thought,
"doesn't come
from a store."
"Maybe
Christmas,
...perhaps...
means a little
bit more."
-Dr. Seuss

Winter Wonderland Week:

Winter wonderland week is just around the corner. From the 14th to the 18th we will be dressing up as we count down the days to winter break. Here are the themes:

Friday (Dec 18th)- Flannel Friday (throwback to the Hoedown with flannel, boots, and cowboy hats)

Grad Hoodie and THSS Clothing Order Distribution Schedule

Please wear masks, and practice social distancing during pick-up.

Dec 18 – 11:30-12:30 outside at the THSS front entrance

There will be two tables outside the THSS front entrance.

1. THSS Regular Clothing
2. Grad "Screened" Hoodies (Due to the extra labour involved in making the Twill/Embroidery Hoodies, they will not be available until January)

*Pick-up will only happen on these dates, and during these times. Please plan accordingly.

Interested in learning to fly tie? Be lured into the magic of fly fishing by coming to a fly tying workshop! Sign-up sheet is outside the office on the tables. All are welcome, and covid safety protocols will be observed. (Fly fishing is the perfect social distancing activity!)

Our student book club is reading The Field Guide to The North American Teenager. We will set a date to discuss it in the new year. If you haven't yet picked up your book, please stop by the library this week!

Volleyball and Basketball News

Volleyball and Basketball practice has been postponed for now

Aboriginal Education

"Introducing Aboriginal Education Leadership Program:

"Our Indigenous youth are the changemakers of generations past who have lived through the years of oppression endured by the introduction of the Indian act. The youth of this generation are our future, this is a call out to our Aboriginal, Indigenous, Inuit, Metis, and Inuvialuit students, to come "together" (via zoom for now), to be one heart, one hand, and one mind. We will support our students in initiatives that bring awareness to the needs of our communities, including issues that impact our people and the natural world. By providing a space to be empowered to develop their leadership, advocacy, critical thinking, and lifestyle skills, by supporting their school, community and society. This is also a call out for those students who want to walk alongside us as advocates and allies to support our program or projects. The participation in AbEd Leadership enables our learners to grow, lead and help others, meet new people and build connections, experience their community in new ways. This program also aims to support them as they come to their end of high school in volunteer and community service hours needed for resumes, for Colleges and University and scholarship and bursary applications".
