School Reopens after Spring Break

Attention all tennis players! Mr. Faa and Mr. Green will be running a tennis club this year which will be starting up after Spring Break. No experience is necessary. For anyone interested there will be a meeting at lunch in Room 1118 on Tue. Mar. 9th. Hope to see you then!

Student Transfer Phase 1 is now open and will remain open until March 8, 2021. Students applying in Transfer Phase 1 must phone 604-463-2001, ext 57661 or email joanne chessa@sd42.ca, to request a transfer form. Be sure to complete all required information (including obtaining a parent/guardian signature) and return it by email to joanne chessa@sd42.ca. For phase 1, requests must be submitted by March 8, 2021. The best chance to transfer schools is during Transfer Phase 1. Successful Transfer Phase 1 applicants will be contacted by March 12, 2021.

February is Black History Month! Come by the library or check out thsslibrary.com to find some amazing books by Black authors.

Blind Date With a Book is still happening! Come by the library to choose a mystery book. Submit a review and you'll be entered to win a prize!

Book club: This round of book club, we are dividing into two groups. One book club has chosen to read Little Women and the other group picked They Both Die at The End. We have a couple of extra copies of each so, if you'd like to sign up, please see or message Mrs. Fulgueras.

Calisthenics: These are workouts that include exercises that use your body weight, along with gravity, as resistance in strength exercises, rather than free weights or machines. Calisthenics exercises range from very simple (like squats) to more difficult (like muscle ups). There are tons of calisthenics workouts online and on YouTube, but we have listed a beginner one below for you to try and see if it is a type of exercise you enjoy.

Simple Movements: Sometimes the simplest action can help reset us when we're feeling uneasy. Here are some movements that have benefits for overall health. Give them a try, and you might find yourself working them into your daily mindfulness routine:

The next time you're worried and stressed out swing your arms.

When we're worried or anxious, we'll cross our arms, slouch or curl up in a ball. It's a natural reaction that a lot of animals have - because it's protective. But by forcing yourself to adopt carefree body language, your brain gets the message that there's nothing to fear.
